

LIFESAVING 101

DONATE BLOOD!

American
Red Cross

Every two seconds, someone in the United States needs blood.

A single blood donation can help save up to three lives.

Each day, an average of 17,000 blood donors are needed to keep up with demand.

UNC-Asheville students, faculty and staff have donated 126 pints of blood since classes started. Thank you!

Next campus-wide blood drive will be held on

Wednesday, November 20, 2013 from 11am-4:30pm in Highsmith Student Center.

Call 1-800-RED-CROSS to schedule your appointment.

The need is constant.

The gratification is instant.
