

Brevard Wins from Belmont

Brevard College Tornado defeated Belmont Abbey last Saturday by a score of 19-2 to remain in the undefeated ranks.

The Blue and White Jamesmen opened the game by kicking to the Catholics, and after one play the Abbey kicked back to mid-field. The Tornado took the ball on their 49 yard line and within twelve plays they had scored their first touchdown of the evening. The marker came when Ed Clayton shot Walter Clayton a short pass in the end zone on the twelfth play of the drive that started in mid-field. After this touchdown the Tornado showed a let-up, and the Abbey gradually gained on exchange of punts during the first quarter. Near the close of the quarter the Abbey staged a drive that was good for fifty yards with a 35 yard run included.

Opening the second quarter the Belmont team passed on the Brevard 10 yard line, and Ed Clayton jumped in to the air to intercept it. On the first play after the interception, Ed Clayton attempted a punt which was blocked by Brennon; the ball bounded over the end zone automatically giving the Abbey team a safety and their only 2 points of the day. The remainder of the quarter was a kicking duel, with the ball remaining in Brevard territory most of the time.

Throughout the third quarter neither threatened, since no breaks came as a result of a kicking duel; the ball, however, was played in Abbey territory. Toward the close of the final period Thompson intercepted a Belmont pass in midfield, and from there the Tornado started a drive that ended with their second touchdown. On the scoring play Davis carried the ball over on a line play. Davis also took a pass from Ed Clayton for the point.

In the closing minute or so the Jamesmen scored again, after another drive from the Abbey 40 yard line, when Frady took a pass in the end zone.

The weather was extremely hot for this season of the year, and the Brevard team showed that they weren't playing ball in mountain climate. Only three substitutions were made by Coach James.

Social Planned

At a joint meeting of the social committees of the Clisophic and Euterpean Literary Societies last night it was decided to have a party in the dining room of West Hall, Saturday evening, November 16th. Details for the affair will be worked out later.

Jokes

One night in the girls' parlor "Pat" Shackford was directing the college group in some games. She said,

"Now we want to see who can make the ugliest face." After they all tried together, "Pat" turned to Ed Clayton.

"Ed, I've decided to give the prize to you."

He quickly replied, "Pardon me, but I wasn't playing."

Ulrich Gibbs: "Did you ever take a mud bath for your rheumatism?"

Warren Harrelson: "No, but I played in a football game."

An old Weaver student: Miss Smith, what ever became of that pretty canary Miss Sam gave you?"

Miss Smith: "I had to feed him to the cat. Miss Hayes set him on the radio, and he learned static."

John Hoyle says that all he wants is a chance to express himself. Fine, where to?

Dixon says those girls in West Hall have their "ups and downs," but none of them have as many as I did to-night. I had the aisle seat at the movies.

Subscriptions Past Due

By a unanimous vote the student subscriptions were put on a club basis. It is absolutely necessary that every student pay his subscription. Up to this time about a hundred have failed to pay for the first quarter. This is a small amount for each of these hundred students; but collectively it is a large amount for THE CLARION. All of you have been receiving the paper. If you have not already paid, PLEASE PAY your club leader at once.

Insect Exhibit

Recently there has been a new exhibit of insects placed on display in the biology laboratory.

Of rare distinction in this display is a moth that was hatched from a cocoon spun by a caterpillar that was found in front of West Hall last fall. Also there is a fly that looks much like a bumblebee and one that closely resembles a yellow-jacket.

Included in the exhibit are dragon flies, adult doodle bugs, moths and butterflies, beetles, true bugs, true flies, and wasps. Mr. Dendy welcomes all to drop by and see the show cases now on display.

Brooks Injured

Phillip Brooks, who has played a large part of all the football games this season at center, suffered a bad right-knee injury in scrimmage Tuesday and will be out of uniform for several days.

"Phil" was injured in his left knee about four games before the season closed last year and was out for several days.

Freshmen Hold Meeting

At the chapel period on Wednesday the freshman class held a regular meeting with practically all members present. President Rogers opened the meeting and presided over the entire session.

After the regular opening procedure the class voted that each member would pay to the treasurer one dollar by the end of the first quarter as dues for the entire year. A resolution which was drawn up by a committee for that purpose was accepted, and each member of the class is to receive a copy in the near future.

Because of lack of time there were several important business matters that had to be deferred until another meeting.
