

Brevard Still Undefeated

The Brevard College Blue and White Tornado remains one of the two undefeated teams in the junior college conference after winning from Boiling Springs here last Saturday by a score of 26-6.

The Jamesmen accounted for their first six points early in the first quarter when Thompson carried the ball over the south goal, a substantial gain from mid-field. The conversion of one point was good on a completed pass—W. Clayton from his brother Ed.

In the second period Boiling Springs made a long gain from mid-field, when Price completed a long pass which he took to the three yard line. Green carried the ball over on the third play by scrimmage. The extra point failed, and they did not threaten the Brevard goal again during the entire game. The Tornado scored again in the second period when Davis tossed Gaston a pass that was good for fifteen yards as well as six points. The attempt for the point failed.

Neither team threatened in the third period; Boiling Springs, however, continued to use an effective passing attack. Brevard came back powerfully in the final quarter, scoring two touchdowns. Both of these were scored by Thompson, who played the outstanding game of the Brevard backs. On the third Brevard touchdown Ed Clayton made the point at scrimmage.

Throughout the game Boiling Springs used a very effective and complicated passing attack. The Brevard team displayed a great offense power.

Jamesmen Are to Battle Lees-McRae Tomorrow

The Tornado will leave early tomorrow morning for Banner Elk where they will meet Lees-McRae in perhaps the outstanding junior college game of the week-end, at 3:30 tomorrow afternoon.

This will be the eighth Tornado game of the season and perhaps one of the hardest. So far the Jamesmen have rolled up more than 150 points to their opponents' 15.

Lail, perhaps the most consistent player on the squad, has been out of scrimmage all week with a neck injury and very likely will not see action. Brooks is still on crutches and will not make the trip.

The squad has had only two scrimmage periods during the week, because of bad weather on Monday and Tuesday. Coach James held skull practice Tuesday, at which

Dr. Smart to Visit Us

Dr. W. A. Smart, Professor of Biblical Theology in the Candler School of Theology of Emory University, will visit us from tomorrow until Monday. He is one of the ablest men in the Methodist Church. He will speak four times while in Brevard. On Sunday he will preach in the Methodist church at 11 A. M. and 7:30 P. M. He will speak in the college auditorium Sunday afternoon at five o'clock, instead of the six o'clock vespers, and again at the chapel period on Monday.

Dr. Smart will meet as many students in personal conferences as possible Monday morning. It is a rare privilege to have such a man as Dr. Smart with us; and every student should hear him, and if possible talk with him.

Christmas Holidays to Begin December 19th

At a meeting of the faculty Thursday, November 14th, it was decided that the Christmas holidays will begin December 19th. The first quarter will close on that day.

As yet it is undecided when the first quarter examinations will begin. It is possible that they will start December 16th. Classes will be resumed January 2nd.
