

## Brevard Makes Come-back

The Brevard Blue and Whites came into the winning column Wednesday night by breezing through the game with Presbyterian Junior College 58-24.

The Brevard boys took the lead in the opening minutes of play and kept out in front the whole game. The first half was full of crisp shots by the entire team and ended with the score 26-6. In the second half they continued their onslaught upon the basket to score 22 more while their opponents were scoring 18.

The game was filled with fouls, but it did not mar the playing of the home team. They broke faster and shot straighter than at any other time during the year to score their largest number of points. Wright was high scorer of the night, with 20 points; Patton had 14 points, and Davis had 11. Rogers played a brilliant floor game, with Whitesides coming in on the praise. Carr of P.J.C. scored 6 points and was high scorer for them, with Captain Wilson playing a great guarding game.

## Tornadoes Drop Two

On a trip to the eastern part of the state last Thursday and Friday the Brevard basketball team dropped two games by losing to Wofford Freshmen 24-21 and to Textile Junior College 35 to 31.

In the Wofford game, which was played Friday, the Brevard team led the scoring until the last three minutes of play, when the Wofford boys staged a rally that the Tornadoes were unable to halt. The Brevard Blue and Whites were not playing their usual fine game of ball and could not get their sights trained on the basket.

Patton was high scorer for Brevard, with 7 points to his credit. The game was featured by the last minute rally of Wofford.

In the game Saturday night with Textile Junior College the Tornadoes were again leading at the end of the third quarter, but their opponents repeated the act of the night before by staging a rally in the closing minutes. This game was much faster than the game with Wofford and was filled with long thrilling shots. The game ended with Textile leading 35-31.
