## Next Year's Council

Last Friday, April 17, the final election of the members of next year's student council was held. The following were elected to serve with President-elect Carlisle as sophomore members on the council next year: Marshall Houts, LeRoy Lail, James Rogers, Bob Sumner, Evelyn Swaringen, and Margaret Wilson.

There was one election held before this final one, and all the candidates were eliminated except twelve, from which the above-mentioned six were selected. The list of candidates in the first election is as follows: Sam Ardrey, Jack Armstrong, Pauline Auer, Bill Black, Ruth Brewer, Annie Ruth Call, Frank Craven, James Crouse, Bill Edwards, Lallah Mae Edwards, Mitchell Faulkner, Virginia Henderson, Matt Herring, Marshall Houts, Edward Hyatt, Cora Ann Johnson, George Jones, LeRoy Lail, George Lee, Satenik Nahikian, Joe Nixon, Jack Noblitt, John Odom, Bill Patton, John James Powell, Leighton Presson, James Rogers, Margaret Ryan, William Scott, Howard Stamey, Bob Sumner, Evelyn Swaringen, Aldeta Taylor, Mary Helen Teague, Ellen Waddell, Paul Westbrook, Lehman Williams, and Margaret Wilson.

These councilmen will be installed in an official ceremony at the assembly period some time in the near future and will begin their active duties around May 10. The freshman members of the council for next year will be chosen by a similar election a month after school begins next fall.

## Orchestra Gives Skit

On Saturday night, April 18, the orchestra presented a program in the form of a skit written by Frances Goforth, in the school auditorium to a large audience.

The scene of the skit was laid in an opening hotel. The characters were a miscellaneous group of servants, the proprietor and wife, and three guests.

## Dr. Rozzelle with Us

Rev. C. E. Rozzelle, pastor of Main Street Methodist Church in Gastonia, is conducting the annual revival services at Brevard Methodist Church and on the campus, which he began Sunday evening, April 19, and will close this coming Sunday at the evening service.

Mr. Rozzelle has greatly attracted the members of the student body in assembly and church services each day this week. His messages are of a vital nature and deal with the general principles of life. Mr. Rozzelle has spent eleven years on college campuses, both as a student and a minister.

Mr. Rozzelle used for his subject in the Monday assembly sermon, "It's a Matter of Honor", on Tuesday, "Boomerangs", on Wednesday, "A Study in Contrasts, or What I Saw in Europe"; on Thursday, "Life in Two Dimensions". He will advise the entire student body this morning to "Start Where you Stand" and will address the young men only tomorrow, using as his subject "Jesus and the Next Generation".

## Mr. Cathey Honored with Birthday Party

Wednesday evening, April 15, Professor Cathey was given a surprise party by Mrs. Cathey at their home in celebration of his birthday. Guests for the occasion were President and Mrs. E. J. Coltrane and Mr. J. A. Carlisle.

It is said that Mr. Cathey noted that Mrs. Cathey was doing more cooking and fixing than she ordinarily does during the day, but he did not realize what was taking place until all the guests had arrived. In other words, this was really a surprise party. When this went to press, neither Mr. nor Mrs. Cathey would tell his age, but we are tempted to say that he is not as old as he appears to be.

## Labor Students Enjoy Outing

Last Saturday afternoon, April 18, the labor students of the college enjoyed a hike and picnic to Camp Sapphire, which is located a few miles from the college. The group left the campus about four o'clock and stayed approximately three hours. After hiking out to the camp the hikers spent the time in walking around the lake or in doing other things of interest, and later in the evening they gathered together and ate supper which consisted of roasted weiners and accessories. They then returned to the college just as it was beginning to get dark. This outing was worked up by Mr. Colvard, who is in charge of the self-help, and Lloyd Parks, as well as other students. The group was chaperoned by several members of the faculty who were extended invitations.

## Work On Grounds Started

During the past week much work has been started in the way of improving the grounds around the buildings here on the campus. Mr. Colvard with the help of several of the students has begun work here which deserves much commendation. They have planted shrubs around the various buildings and their entrances; bare spots in the lawns have been replanted; "Keep Off the Grass" signs have been located in the most-needed places; walks have been prepared; and the lawns have been mowed for the first time this spring. In other words, we are having a general spring clean-up on the campus. It is hoped that everyone will observe the signs and stop cutting across the grass, thus giving the new grass and shrubs a chance to grow.

"Some people get up bright and early, but most people just get up."

"The first law of repartee—better never than late."
