WSSF CAMPAIGN IS UNDERWAY ON CAMPUS

Scholarships Are To Be Given By American Univ.

The American University, of Washington, D. C., has announced that it will award two scholarships and three workships available for the academic year beginning September 23, 1949, and renewable upon superior academic performance for the academic year beginning in September, 1950, the sesquicentennial year in Washington.

In a letter to Dr. Eugene Coltrane last month, Paul F. Douglass, president of American University, stated that "because each year so many junior college graduates continue their studies with us in this great World Capital, I have the pleasure to announce these scholarships and workships." He further said that the awards would be cash awards, and would not include tuition in addition. The scholarships which will be given are as follows:

1. The R. M. Davis Scholarship in International Affairs. This scholarship, in the amount of \$500, payable in ten equal installments during the academic year, will be awarded to the junior college graduate who indicates the greatest promise for leadership in the field of international affairs.

2. The Patrick Clendenen Scholarship. This scholarship, in the amount of \$500, payable in ten equal installments during the academic year, will be awarded to the junior college graduate who shows promise of leadership in a field of work for which he is recommended by the faculty of the institution from which he will be graduated this spring.

3. Workships in Journalism and Public Relations. Three workships in journalism and public relations will pay three graduates of junior colleges \$500 an academic year for duties performed in these fields on the staff of the university. Ordinarily each student appointed to one of these workships will be expected to perform fifteen hours of work a week during the academic year. The students will have an experience which is rarely opened to students.

Intramurals Set For Final Week; Tournament Next

Next week the eight men's intramural basketball teams will go all out for the final week of play with three teams tied for the top spot.

During the week of March 7, the annual intramural tournament will begin with all teams participating. As last year, the tournament will be a double-elimination affair and will decide the intramural champions of 1949.

The three teams which are currently tied for first place are H, D, and K, each with four victories and one defeat. Major upset of the last two weeks of play was the 32 to 16 shellacking of Dorm "K" by Barrack "H." Hershel Ayers, top scorer of the "H" team, led his quintet to victory, hitting the net for 21 points.

Another surprise in last week's games was the defeat of "J" by the boys from "G." The loss dropped "J" into a tie with "G" for second place.

Complete standings of the teams as of February 23 are as follows:

| Dorm. | Won | Lost | Pct. |
|-------|-----|------|------|
| H | 4 | 1 | .800 |
| D | 4 | 1 | .800 |
| K | 4 | 1 | .800 |
| G | 3 | 2 | .600 |
| J | 3 | 2 | .600 |
| T | 2 | 3 | .400 |
| F | 0 | 5 | .000 |
| MV | 0 | 5 | .000 |
