

Volleyball Teams Finish Work For Season; Clubs Plan Intramurals

BY MARY GRACE NANCE

The 1950 intramural program for girls got off to a flying start Tuesday, November 7, in the college gym. Volleyball teams representing four groups of students were practicing the finger elements of the game, reviewing the rules, and electing a team captain when the whistle blew for the first game of the season. Teams represented were the Euterpean sophomores, Euterpean freshmen, Mnemosynean sophomores, and Mnemosynean freshmen.

Nancy Medford was elected to lead the Euterpean freshmen; Marty Gibbs was captain for the older sisters, the Euterpean sophomores; Pat Brown ably captained her Mnemosynean sophomores; and Kathie Lassiter was elected by Mnemosynean freshmen to direct that team.

Two games were played each night for three nights, thereby allowing each team to play the other two teams one time. At the conclusion of the final game held on Friday, November 10, the standings of the teams were:

	Won	Lost
Mnemosynean fresh.	3	0
Euterpean Sopho.	2	1
Euterpean Fresh.	1	2
Mnemosynean Sopho.	0	3

The Mnemosynean society freshmen, will be credited with ten points for taking first place. The second place Euterpean sophomores will receive five points and the third place Euterpean freshmen will receive three points.

At the conclusion of the intramural program the team having the highest number of points will receive a trophy. The Woman's Athletic Association, sponsor of the intramural program, has congratulated the Mnemosynean freshmen for the recognition that they have brought to their society and

START COLLEGE SERIES

On last Sunday afternoon at 2:30 o'clock a new series of programs were started over WPNF and produced by faculty and students of Brevard college.

With an exceptionally large number of talented teachers and students, the college programs are expected to be some of the best heard over the local radio station.

President George B. Ehlhardt yesterday urged all friends of Brevard college to make a special effort to hear The College Hour.

to their class by winning this first tournament.

A list of the twenty-nine girls who received 100 athletic points for participation in this tournament follows:

Mnemosynean Freshmen: Kathie Lassiter, Marriana Young, Mae Higgins, Betty Jean Evans, Joan Evans, Joan Gamble, Belva Nichols, Carol Carter, Nancy Hager, Jane Morgan, and Willie Wellmon.

Mnemosynean Sophomores: Pat Brown, Jean Arledge, Helen Coble, Dot Dellinger, Ann Smith and Alice Leggett.

Euterpean Freshman: Geraldine Barrier, Billie Cline, Nancy Medford, Joan Medford, Mary Grace Nance, Gloria Starnes and Martha Frances Washam.

Euterpean Sophomores: Lura Cole, Marty Gibbs, Natalie Jones, Hope Leonard, Dot Wallace, Joan Williams and Jane Wilson.

Appointments In Sports Are Made

Miss Louise Mosley, director of physical education for girls, has released the following appointments to chairmanships of the various sports in the woman's intramural program.

Chairman for the volleyball is Ann Deas; for basketball, Helen Coble; for table tennis, Daphne Bowers; for badminton, Marty Gibbs; for softball, Nancy Medford; for tennis, Bettie Huff; for golf, Jane Wilson; for archery, Martha Bishop and for outing, Martha Frances Washam.

The various chairmen, Miss Moseley explained, are responsible for organizing the practice sessions and the tournament games of the sport to which they have been assigned. The above roster of appointments was completed at a meeting of association officers held at the college on November 9.

For students new to the college this year Miss Moseley explains that the Woman's Athletic association is constituted of the complete feminine enrollment of the school. Officers are elected at a meeting of the complete association; these appoint the various chairmen.

Since an organizational meeting held on October 13, the following students have been serving in the offices indicated: Dorothy Dellinger, president; Natalie Jones, vice-

Andrews Expects Good B. B. Team

With six lettermen returning, the Brevard College quintet is looking forward to a thumbs-up season. In the opinion of Coach Bob Andrews, the squad has an excellent chance of bettering its last year's conference record, seven wins and six losses.

A partial schedule of 14 games already has been mapped out. Contestants will include Gardner Webb, Mars Hill, Spartanburg Junior college, Asheville-Biltmore, Lees McRae, Youngharris Junior college and Blanton's Business college.

Practice will begin on Monday, November 27, and the team will play North Greenville on December 12.

Coach Andrews has requested that all boys who are interested in playing basketball and who will enroll for the spring semester, report for the first practice.

"We recognize that in a junior college of Brevard's size varsity sports teams must be made up of freshmen and half of sophomores. All boys with keen eyes and good shooting arms are invited to try out for the team," Coach Andrews announced.

president; Florence Bishop, secretary-treasurer; and Mary Grace Nance, reporter.
