BREVARD COLLEGE, FEBRUARY 22, 1957

Number 8

RELIGIOUS EMPHASIS WEEK WAS SUCCESS

IT WON'T BE LONG NOW . . .

The new Campus Center, pictured above, will be finished by April 15, at an approximate cost of \$300,000. The entire student body is anxiously awaiting the opening of this welcomed addition to the campus. The new construction will house an auditorium, which will have a seating capacity of 500 complete with an organ and a balcony, a cafeteria, administration offices and a student center, which will include a soda shop and student lounge.

The above picture shows the stage of the development thus far. Workmen are busily engaged in trying to meet the April 15 deadline.

College Annual Is Sent To Printers For Publication

Brevard's first collegiate-size annual since 1953 was sent to the Keyes Printing Company, February 15. Sue Jackson announced, "We met the deadline so it definitely will be back by the 15th of May. It's in the contract." The annual is nine by twelve inches and cost approximately \$3,500. It will have 132 pages compared to the 78 pages of the 1953 annual.

Laney Funderburk Elected Editor Of College Clarion

Recently petitioned by members of the student body and appointed by the student council to the office of Clarion editor was Laney Funderburk of Mount Holly, North Carolina. He has been very active in various campus activities during his Freshman year at Brevard and has proved himself to be very worthy of the responsibility entrusted to him.

While in high school Laney held several vital offices, such as Senior class president and, as evidence of his interest in Methodist Youth activities, was president of his sub-district and vice-president of the Western North Carolina Youth Conference. Before coming to Brevard he was a member of both his high school basketball and football teams.

Laney was elected president of his Freshman class here at Brevard. —Turn to page two

Martha Fortune Is Awarded Mary Morrow Scholarship

Martha Caroline Fortune has been named the winner of the Mary Morrow scholarship for 1956-1957.

The N. C. Classroom Teachers association, a division of the NCEA, named Miss Fortune the winner over a number of outstanding applicants for the award.

Miss Fortune is the daughter of Mr. and Mrs. M. W. Fortune, of Brevard. She is a junior at the University of North Carolina.

The scholarship will be in the amount of \$150 and was awarded on the basis of character, financial need, personality, an expressed intention of entering the teaching profession, and scholastic achievement.

"I want to be a teacher as I see that the need for teachers must be met if the youth of today are to be guided into responsible adulthood," Miss Fortune stated.

The Mary Morrow scholarship was originated by the South Piedmont District Division of Classroom Teachers, October 16, 1953. This group began the scholarship's —Turn to Page Three

Ensemble To Play Friday Night

Have you heard those crazy sounds that have been drifting out of the auditorium lately? Sounds like Gene Krupa sometimes. Of course we haven't even heard a part of what we'll have a chance to hear tonight. At 8:15 o'clock in the auditorium, Mr. Peter Ford and the Brevard College Percussion Ensemble, under the direction of Professor Nelson F. Adams, will give forth some very different and unusual sounds. The members of the ensemble are: Peter Ford, Mrs. Louise Miller, Elizabeth Whisenant, Jeannette Miller, Harvey Pulliam, and David Feijoo. Mary Sue Drum will give a reading to their mad rhythm.

Mr. Ford has arranged a Bach prelude and fugue, a Shakespearean sonnet, and a sonata-allegro for the percussion group. He will play two pieces by Liszt, "Après Une Lecture De Dante" and "Hungarian Rhapsody No. 6."

Listen to some of these various instruments the members of the ensemble are going to beat, blow, tickle, or otherwise stimulate. Piano, glockenspiel, police whistle, bird whistle, 3-way locomotive whistle, siren, cow bell, and steel sheets. These are only a few, however, and we think that if you come, you will certainly enjoy the evening.

EMA Organized At Brevard College

A new club has been formed on Brevard's campus. The EMA Club is a group of men attending Brevard College who are interested in electronics, mechanics, and aviation. Mr. Egerton is to be the club sponsor. At the organization meeting, Howard Martin, the founder, was elected president and Willis Pruett was elected Secretary-Treasurer.

The club has already lined up three guest speakers. W. D. Rollick is to speak on communications, Frank Nicholson, on aviation, and Howard Cartwright, on mechanics. These men will be on Brevard Campus sometime in the near future, and anyone who is interested, is invited to attend these meetings, which will be announced later.

Those who attended the opening —Turn to Page Two

Rev. R. H. Brendall Of Waynesville, Is Guest Speaker

Religious Emphasis Week was observed at Brevard College, February 19-22.

Rev. E. H. Bendall, pastor of the First Methodist church, Waynesville was the guest speaker. Rev. Brendall has been a popular minister in all his appointments and is especially well-liked in student circles. The students were fortunate in getting Rev. Brendall as their leader during Religious Emphasis Week.

Services were held Tuesday, Wednesday, and Thursday evenings at 6:30 and Wednesday and Friday mornings at 10:00 in the college auditorium. Rev. Brendall was available for individual conferences. Many students took this occasion to seek a greater insight to their religion and problems.

The topics that Rev. Brendall spoke on were as follows:

Tuesday evening, 6:30—

THE PURE IN HEART

Wednesday morning, 10:00—

THE CONFESSIONAL EVERY

MAN CAN USE

Thursday, 6:30—

LOVE SO AMAZING

Friday, 10:00—

IN GOD WE TRUST

We at Brevard owe Rev. Brendall a vote of appreciation for his stirring messages and for helping us find a deeper insight into our faith.

ROBERT LITTLE

Robert Little Elected New Social Chairman

An important position held on any campus is that of social chairman. Brevard has, for sometime, been without someone who could serve 'full-time' in this capacity, which is, certainly, a job requiring much of one's time in planning and supervising campus social activities. Bobby Little of Charlotte, has been petitioned and appointed by the student council to be social chairman for the remainder of this school year.

Bobby is a graduate of East Mecklenburg high school. He is a member of the Clarion staff, feature editor of the Pertelote and a cheerleader. He plans to major in the social sciences and eventually to teach history or civics.

However, when questioned as to his main interest Bobby replied, "Well, AGRICULTURE, I s'pose!"
