BY L. G. DEYTON

The Tornados wind up their basketball season this week-end when they travel to Spruce Pine for the annual conference tournament. They met Asheville-Biltmore in their first game last night. The winner of that game plays the winner of the Lees McRae-Spartanburg game to decide who plays in the finals.

Bruce Guy, the teams leading scorer, with a 21.04 average, and Jim Ingle, the team's second leading scorer with a 13.6 average,

were unanimous choices for the All-Conference team.

On Tuesday night, February 12, a cheering motorcade left Brevard to meet arch-rival Mars Hill. They had a police escort through Asheville and reached Mars Hill in high spirits. However, their spirits were somewhat dampened by the outcome of the game. Mars Hill emerged victorious by a score of 82-78.

The heart breaking loss to Gardner-Webb in the third overtime last Thursday night left the Tornados with a conference record of 6-6, and an overall record of eight wins and fourteen losses.

This is not the record that everybody expected the team to have because we have possibly the best team in the conference when they get going. Since they are long overdue, they should really go places in the tournament.

**Intramurals**

The Clisophic Society basketball team, coached by Dan "Pigmy" Hendrick defeated a strong Freshman team last week to capture their second intramural honor of

the year. Had the Clios list, they would have been tied with them for first place.

The Clios were somewhat weakened by the loss of 6'3" center Bob Sims and guard Ross Wingo to the varsity squad, but finished the season undefeated.

In an interview with Coach Hendrick, he said, "I am very proud of the fellows, and I've had very good co-operation from all of them. We have now won both the football and basketball championships and as far as I'm concerned, we aren't going to worry about the rest; win or lose, we will be represented."

The members of the Clio team are: Mickey Beam, Randy Parton, Velda Pierce, Ross Wingo, Bob Sims, Lenus Morrison, Don Hoyle, and Doug Brackett.

The final standings are:

Clios	5-0
Sophomores	4-1
New Dorm	2-3
Taylor Hall	2-3
Delphians	1-4
Freshmen	1-4

MARTHA FORTUNE

financial support by contributing \$100 to a fund in honor of Mary Morrow, who taught many years in the schools of Greensboro.

The scholarship is financed by gifts from individual teachers from all over North Carolina. The fund now exceeds \$7,000. Teachers adopted the project as a concrete means of demonstrating that teachers are interested and concerned about the supply and quality of teachers in North Carolina.

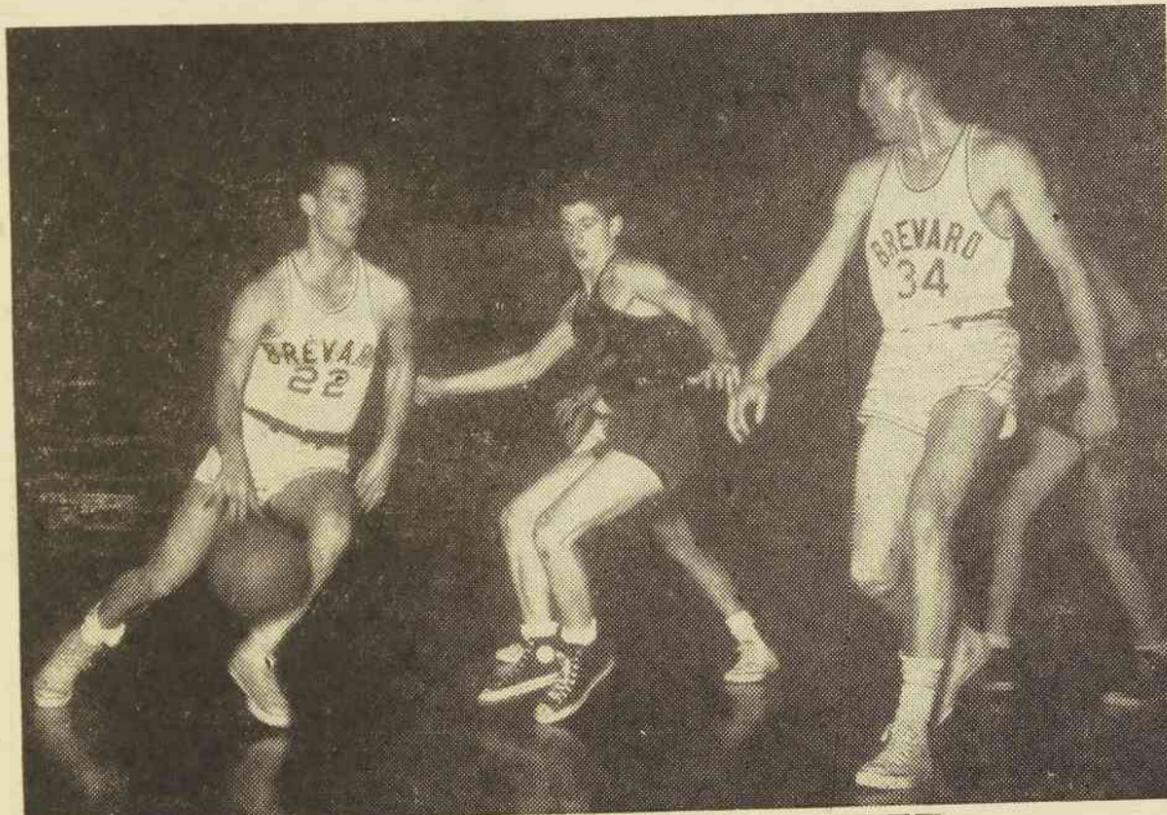

Miss Morrow was elected the first state president of the Division of Classroom Teachers in 1932. The scholarship was named for her posthumously in recognition of her high ideals, professional achievements, and dedication to the many thousands of children whom she taught.

"A bore is someone who boasts about his accomplishments when he should be boasting about yours!"

"When did you first know you loved me?"

"When I began to get mad when people said you were brainless and unattractive."
