

Effects Of Building Program Are Seen

Student Lounge

Cafeteria

Judging from the pictures on this page, much progress has been made, building-wise, on the campus of Brevard college.

These photographs are inside and outside shots of the beautiful new campus center building; plus pics of the new Methodist church and members of the baseball team.

Truly, the Campus Center will be the number-one building on campus. The spacious lounges, soda shop, auditorium, and cafeteria should be the center of activity next year.

The Campus Center is being christened, however, this year by having all commencement activities take place there. This building is the first of several other additions to the physical plant of Brevard college. We are now anxiously awaiting the science building, the Music and Fine Arts building and the new gymnasium.

THE SEASON is over; the games were exciting; we were with them all the way. The 1957 edition of the Tornadoes are pictured above: Front row, left to right, are: Paul Blackburn, Bob Sims, Jerry Haas, Roger Pearson, Bob Ramsay, Stanley Scruggs, Harold Mask and Ray Boger, manager. Second row, left to right are: David Cudd, Jim Ingle, Rayburn Robinson, Ross Wingo, Jack Kimbro, Gary Frick, Eddie Dacus, Bill Hall, Don Dills, and Coach "Chick" Martin.

Tornadoes Finish With 4-10 Record

Although the Tornadoes failed to live up to pre-season expectations, the effort of each member was appreciated and the fans were behind them all the way. The record is not what we would have liked for it to have been and is actually not a true evaluation of the season. Usually the Tornadoes had one bad inning, but played head-up ball the remainder of the game.

To the members of the team who have played their last game for Brevard, we commend you for your outstanding effort. To the returning members, we wish you the best for next year.

Coach "Chick" Martin has had his share of hard luck; Dave Cudd broke his leg and was out for the remainder of the season. Still, Coach Martin always fielded a team that made us all proud.
