

CLUB CAPERS

BY CHARLES HILBERS

Parting is such sweet sorrow?

ALPHA BETA GAMMA

If you've never seen the Grove Park Inn, then be sure to see it and the Biltmore House the next time you're in Asheville. (Even if you have seen the Biltmore House, its worth seeing again.) The Inn was convention headquarters for the Alpha Beta Gamma's national con-flab last Saturday, May 11th. The Brevard chapter left the campus at eight o'clock Saturday morning and enjoyed the many activities planned for the group by the Asheville Biltmore chapter. Some of the Brevard group stayed for the "dance" that was to follow the convention's Greek initiation of candidates, but it turned out to be a tea party, at least the band thought they were playing for a tea party, for they played no dancable music, at least to our ears. The conventioners from Brevard were: Miss Bobbie Jean Nickelson, advisor; Claudia Ramsay; Barbara Davis; John Huggins, president elect; Phil Winchester; Craig Garen; Jerry Smith, Vice President; Lennis Morrison, who was initiated at the convention; Mack Pasmore; Laney Funderburk; and yours truly.

BSU

The new officers for the Baptist Student union are: president, Ervin Dendy; vice president, Don Dills; vice president in charge of social activities, Ben Cassel; secretary-treasurer, Pat Mintz; program chairman, Betty Lawrence. Don Dills and Ervin Dendy attended a planning session in Sanford, North Carolina, where they picked up a lot of good ideas, which the club plans to put into effect next year.

MASQUERS

The Masquers will have as its officers next year Clara Pruitt, president; Benny Martin, vice president; Mary Lou Parker, secretary; and Grace Hunter business manager. These budding actors and actresses hope to put on two major

productions next year. There is even rumor that a musical is forthcoming for the enjoyment of the Phi Theta Kappa national convention which meets here next year. Good going and good luck Masquers!

NEMOS DELPHIAN

These two clubs had a joint supper meeting last night for a good-by party.

The Maemosyneans new officers are: president, Beverly Ussury; vice president, Pat Adkins; secretary-treasurer, Sylvia Parker.

New officers of the Delphians are: president, Gary Frick; vice-president, Benny Martin; secretary-treasurer; Laney Funderburk; and sergeant-at-arms, Fred Sigmon.

PHI THETA KAPPA

Last Monday the Phi Theta Kappa met and approved the application of five colleges into the fraternity. If three-fourths of the rest of the chapters across the country do the same, these colleges, including Charlotte Junior College, Charlotte, North Carolina, will be added to the national chapter roll of the fraternity. At the meeting it was decided to install the new officers Wednesday evening after supper in our new cafeteria.

VETERANS

I think everyone enjoyed the May Day dance and we all owe the veterans a hearty vote of thanks. Incidentally, this reporter was surprised to learn that the veterans themselves did all the art work. Who knew they were budding artists? The dance was a great job, fellows and a great success.

Their new officers are: president, Ronnie Daniel; vice president, Tom Anderson; secretary-treasurer, Neil Howell; social chairman, Paul Lewis.

MSF

This Sunday President Stamey will address the MSF. He will speak in the new auditorium in this last meeting of this group. Last Sunday the group installed their officers with Mrs. Randolph presiding.

The new officers are: president, Benny Martin; vice president, Janis Smith; secretary treasurer, Evelyn Cook; recreation chairman, Mike McClaugherty; social problems chairman, Claudia Ramsey; pianist, Elizabeth Whisenant; publicity chairman, Suzanne Witter; MSM Fund, Rayford Ledford;

council representative, Nancy Norton.

KAPPA CHI

At their retreat in Pisgah Inn on Mount Pisgah the Kappa Chi elected officers for next year who are: Mike McClaugherty, president; Harry Queen, vice president for men; Clara Pruitt, vice president for women; and Claudia Ramsey as secretary-treasurer.

On the 23rd the club met in the cafeteria and after supper installed their officers in the chapel in the Administration building.

Ross Wingo, outgoing president expressed his faith in the club and its officers in his statement, "I am expecting great things in the next few years."

CLIOS-EUTERPEANS

The Euterpeans met last Tuesday night, May 21st, and elected new officers. The two offices that have been filled are: Ann Lively, president, and Judy Elkin, vice president. The rest of the officers come from next year's freshman class. Audrey Dixon, graduating president of the club, said that she had enjoyed being president and, "The Euterpeans have had a very successful year, and that I hope next year will be even better."

The new president of the Clios is Horace Turner, a capable leader, hailing from Gastonia. Lloyd Hensley was elected as vice-president and Lenus Morrison, as secretary-treasurer. The Clios have created a new office, that of social chairman, which will be filled next year. In a prepared statement, Dan "Pigmy" Hendricks commented, "As President of the Clios I have enjoyed very much endeavoring to create a better Cliosophic Society at Brevard. Although we have not excelled extensively, we have had fun and were very well represented in the intramural field, winning both the football and basketball championships."

CANTERBURY CLUB

In an exclusive interview, Tom Anderson told this reporter that the Canterbury club will not elect new officers this year. It is hoped that by waiting until next year to fill these offices, some interest will be aroused in the club by the rising freshmen. The club will have a barbecue and go horseback riding this Sunday.

CHRISTIAN FELLOWSHIP

Janis Smith, president of this club has asked that it be announced that there WILL be a softball game this Tuesday. It is hoped that this will provide some relaxation

from tedious studying and exams.

LAST CHAPTER

It is with mingled joy and sadness that I write the last chapter of the Club Capers for this most rewarding year. Graduation is just around the corner and exams loom large and ominous for this next week. If most of you feel like I do, you'll be glad for the exams to be a thing of the past and yet dread their demise, for it means that dear and good friends must part. To all of you, the very best of luck!
