

THE BIG SISTER Organization of Brevard College has issued bids to 20 outstanding, rising sophomore women for the year 1957-58. They are: kneeling, left to right, Mary Lou Parker, Pat Mintz, Linda Boliek, Elizabeth Whisenant, Ellen Walton, Donna Johnson, and Janice Brown. On the second row, left to right are: Sylvia Parker, Judy Kiser, Myrna Fisher, Audrey Honeycutt, Sara Middleton, and Betty Stoker. Third row, left to right, are: Claudia Ramsay, Diane Lineberger, Norma Rogers, Nancy Norton, Evelyn Cook, Sondra Whisenant, and Helen Mounce.

Women's Assembly Elects Pat Guyer

The Woman's assembly has chosen as its new president, Miss Pat Guyer. While attending high school in Elkin, North Carolina, Pat was very active. She received the DAR good citizenship award, was the class poet, news editor of the school paper, treasurer of the Beta club, and secretary of the Spanish club. Pat was very active in her church where she was president of the MYF.

This year Pat has served on the Woman's House council, and has worked on the Pertelote as Freshman editor. Pat isn't sure of her major so she is taking a liberal arts course.

Barbara Davis Gets Duke Scholarship

The recipient of a \$2,000 scholarship at Duke University is Miss Barbara Davis, of Asheville.

The scholarship is intended to encourage young men and young women who give promise of becoming leaders in their chosen fields of endeavor. Barbara certainly does meet these requirements. While at Brevard College Barbara has been president of Phi Theta Kappa, Sigma Phi Alpha, president of the Canterbury club, a marshal, a big sister, a member of the Alpha Beta Gamma, and the secretary of the International Relations club.

Congratulations Barbara and good luck at Duke next year.

Students Urged To Use Library

295 NEW BOOKS RECEIVED

The Brevard College library staff has been working overtime to catalog and to put new books on the shelves for circulation. Already this year 295 new books, thirty-one of which were donated, have been received; most of these are now available to students. About fifty more are on order and the library plans to order more soon.

Most of these new books are for reference and study. Every department has ordered books, most of which are on the shelves. For instance, Mr. Harvin is trying to get at least one parallel book on each subdivision of history, and his efforts are being rewarded. Mr. Roy has added many new volumes for parallel reading in religion; Miss Nicholson and Mrs. Lobdell have added books for research and study in chemistry and biology; Mr. King and Mr. Egerton have been scouting for helpful math and physics supplements, many of which are now available to students. More than twenty-five new books on drama are now being circulated. The business department has also ordered several new books. The language department has ordered phonograph records to supplement the foreign language courses. These records are expected to arrive with phonograph records ordered by the music department sometime in May.

Greek Sculpture, Mr. Franklin, and American Electronics Handbook are three of the many books that will be on the shelves soon. The Letters of Thomas Wolf, Rebel and Red Coats, Presidency, and The F. B. I. Story are four interesting books on the "new book" shelves. Most new books are located on the first book shelf on the

Plummer's
BREVARD, N. C.

Men's Assembly Elects Carper

The Men's Assembly of the Brevard college student government association elected John Carper president for the coming year. Paul Lewis and Charles Walsh were petitioned for the offices of vice-president and secretary-treasurer respectively.

John is from North Wilkesboro, where he was very active in school and church affairs. His senior class elected him president and also he was president of his MYF.

Sports are John's first love; he was a member of the basketball, football, and track teams in high school. At Brevard he has excelled in track; he throws the javelin, shot put, and discus.

When asked for a comment concerning his new office, John said, "I am extremely honored that the members of the Men's Assembly even considered me for this office and I shall do my best to carry out their desires."

Creative Corner

HURRICANE

The sky grew grey; the ocean still,
A sad, sweet silence the earth did fill.

Hurricane's a coming,
Hurricane's a coming soon.

The sea grew black; gulls sailed by,
A young boy laughed at an old man's sigh.

Hurricane's near!
Hurricane's near!

From sea and sky, huge waves fall near,

The earth is ravaged, destruction here.

Hurricane's here!
Hurricane's here!

The ocean's quiet; the air is still,
Each living man sad joy does fill.

Hurricane's passed!
Hurricane's passed!

—Carl Walker

REFLECTIONS

Beneath the moon I walked one night,

Beside the waters cool.

The moon was casting silver light
Upon the shimmering pool.

And as I walked I thought of all
The glory of my God.

'Twas he that fixed this earth's
great ball

Of warm and throbbing sod.

He hung the sun up in the sky.
He put the moon in place.

He flung the stars both low and high
Into the endless space.

But more important still than these,

He with his loving care
Provides for all mankind a peace
By simply being there.

—Sondra Lynn Whisenant
