'Time Out For Ginger' Highly Successful

The Brevard Masquers presented their first three-act play of the year on January 11. Produced by Professor Alex B. McFadden and written by Ronald Alexander, the production was entitled "Time Out for Ginger." Students, members of the faculty, and residents of Brevard attended the performance of this delightful comedy. The plot centered around Ginger, a fourteen year old Miss who complicated the lives of family and friends by expressing a desire to play football. Notable performances were given by all members of the cast. Immediately following, a party was held backstage by the drama group.

MSF Members Attend District Meeting

Eight Methodist Student Fellowship members and their advisor, Mrs. Edna Randolph, represented Brevard College at the District III Methodist Student Movement Conference, held January 11-12, at the Cullowhee Methodist Church, on the campus of Western Carolina College.

Students attending were: Evelyn Cook, Nancy Norton, Lynn Elzey, Reba Crowe, Myra Dellinger, Bobby Little, Rayford Ledford, and Dorothy Ellen Williams.

"The Responsible Student" was the conference theme; and the Rev. Bill Wells, State Director of the Methodist Student Movement, was featured speaker.

Brevard Downs Lees-McRae In Overtime 82-81

The crowd excitedly held its breath, all eyes on the clock and the basket, Kent Laughter was standing at the foul line. The clock read 31 seconds left to play and Brevard trailing 80-81. Laughter hit on his first shot, tying the game 81-81. He hesitated, then sank his second, and the Tornadoes took the lead. The time was gone before a Lees-McRae could get a shot off, and the game ended with Brevard holding a one point lead.

Brevard took advantage of every break and never let up, as they beat Lees-McRae 82-81. The game ended in a 69-69 tie, calling for a five

minute overtime which was all the Tornadoes needed. After holding a ten point lead in the first quarter, Brevard fell behind and had to come from behind to put the game on ice in the final period.

Lloyd Hensley continued to lead the Brevard five as he paced the offensive attack with 25 points.

Tornadoes Rip Ferrum 92-50

The Brevard Tornadoes turned in their best performance of the season here last Friday night as they romped over Ferrum 92-50. It was Brevard all the way and the Virginia team never once held the lead. As the game progressed, it turned into more of a comedy than anything else, with the Ferrum

team falling farther and farther behind.

Brevard's first string watched the game from the bench almost the entire second half, while the second string took advantage of their out-classed opponents to increase the Brevard lead by 40 points.

Don Livingston and Lloyd Hensley led the Tornadoes to victory—each scoring 17 points. U. B. Deyton dumped in 14 markers while Wayne (Potsy) Cordell got ten.

The team showed great bench strength, each member of the team hitting for at least 2 points.

Bruce Forbes, Benny Deyton, Dave Chant, and Harold Wilson all turned in fine performances and will probably see more action in future games.
