tary; Burl Hull of Cherryville, the new social chairman, and Harold Wilson of Marietta, S. C., the new vice-president.

Garner Elected New President; Wilson, Miller Also Chosen

The votes were very close in the hotly contested election held on the Brevard College campus last week. After a run-off between Charles Garner and Bobby Tickle for the presidency, Garner emerged the victor and the president of the student body for the 1958-'59 term. To assist Garner in his new duties, Harold Wilson was elected vice-president and Mildred Miller as secretary-treasurer. The duties planning the social events on campus fell into the hands of Burl Hull after he won over Edith Houck by a small margin of votes.

To fill the other high positions on campus, Carolyn Wright was elected Editor of "The Pertelote", Gail Bonnell as Business Manager of "The Pertelote" and Mary Allyn Reynolds as editor of "The Clarion."

Garner was overjoyed with his victory and had this to say to the students: "I wish to thank each one of you for your votes. Your support and God's help have won this high position for me. I shall try to the best of my ability to nobly fulfill this honor you have bestowed upon me. Again I wish to thank you."

All of the newly-elected officers were very excited about their victories, and they had only the highest praise for their opponents. One of the newly-elected had this to say, "I didn't think I was going to make it for a while. This has been a hair-raising experience for me, and I will never forget it."

The election was very successful and the voter participation was outstanding. Each candidate is to be congratulated for his outstanding campaigning and efforts.
