

THE DEDICATION of the annual was announced in chapel Friday when Helen Ray, the editor of the Pertelote presented the first copy of the new annual to President McLarty for whom the annual was dedicated.

ANNUAL DEDICATION

One question which was floating around the campus all last week was, "When will we get the annuals back?" Well, the question was finally answered Friday when the annual was dedicated in Chapel.

Miss Helen Ray, editor of the 1958 PERTELOTE made the dedication by reading the following inscription which is in the annual: "Though he has been on our campus only one year, his congeniality, true helpfulness, and deep concern for each student more than merits this dedication. In practicing his firm belief that education and religion are inseparable, he has enriched and influenced the lives of many students.

"It is with pride and a welcoming spirit that we, the 1958 PERTELOTE staff, do dedicate our annual to President Emmett K. McLarty."

The theme of the annual is carried out by character sketches of a little boy by the name of Sylvester. He proceeds to write a letter home to his family about the college. In case some people don't know, the wonderful sketches were done by John Carper.

We the members of the CLARION staff would like to take this opportunity to congratulate the PERTELOTE staff on such a good annual. We think the students will cherish and love them forever.

A TRIBUTE

The time is fast approaching when we will say goodbye to our friends here at Brevard College. Most of us will be venturing to other parts of the world; some in school, some marrying, and others beginning their careers of work. Brevard College has been a stepping stone for us in that it has helped us reach our final goal of life. What we have accomplished here will determine, to a large extent, what we will accomplish later in life. Brevard has been a friend to us, and it has been a gathering place where we have made other friends. We will forever cherish the memories that it has bestowed upon us, both at work and at play. Therefore, when graduating day is here, it will not be as though we will expect Brevard to fade away from our memories, for we have made a friend which will live forever in our hearts.

EDITOR'S FAREWELL

Disregarding superstitious pangs, the CLARION staff has prepared this thirteenth issue of the CLARION as the final issue of the 1957-58 year. This year has been one of broadening experience for each member of the Clarion staff. The staff of the Transylvania Times are to be commended for their patience while the paper staff learned, through trial and error, some principles of journalism. The staff has learned much — and we admit, still has much to learn. This experience has been profitable in other ways as well as teaching journalism. The unity in which the staff has learned to work is amazing, and the ability to face criticism and to use it constructively has increased.

The 1957-'58 CLARION has endeavored to sound the thoughts and opinions of its circulation. In spite of disapproval, the CLARION staff has strived to make the college newspaper diversified, so that it may appeal to the largest number of people possible, rather than concentrating solely on the social, intellectual, or administrative aspects of the college.

Your editor wishes to thank the members of the student

Graduates Reveal Future Plans

Many of the Brevard College sophomores who are graduating come June 1 are planning to continue their educations at senior colleges, while a number of them are planning to get married or go to work. Following is a list of the sophomores and their plans for the immediate future:

Tom Anderson — Attend the University of Georgia.

Jerri Ard — Secretary in Asheville.

Pat Atkins — Attend college as art major.

Hayes Bishop — Appalachian.

Lois Blythe — continue studying for primary teaching and later go into social work.

Linda Boliek — Attend Duke University.

Ole Borgen — Summer school at Duke, then Greensboro College next fall. Plans to enter seminary in the fall of 1959.

Curtis Bostian — Attend N. C. State.

Melton Bridgeman — Attend N. C. State.

Joe Britt — Attend University of North Carolina.

Janice Brown — Work in Brevard.

Buddy Bryant — American University.

John Carper — Richmond Professional Institute.

Ronald Carriker — Attend Clemson.

Ben Cassel — Enter School of Medical Technology at Memorial Mission.

Evelyn Cook—Attend WCUNC.

Wayne Cordell — Carson-Newman in Tennessee.

Maxwell Cox — Attend UNC.

Coy Crawford — East Carolina.

Eddie Dacus — Attend Clemson.

body, the faculty, and the administration for their willing co-operation. She is grateful for the opportunity that allowed her to try her literary wings, and she appreciates the patience with which her mistakes were borne as she gained experience in editing. It is with mingled regret and joy — regret for not having reached her aspirations and joy for having done her best to fulfill her responsibilities — that she passes the editorship of the CLARION to the new editor. May this new editor, with the experience gained from past editions, initiate the publication of the most nearly perfect newspaper in the history of Brevard College.
