District Rally On Christian Higher Education Held

The Asheville District rally on Christian Higher Education was held at Central Methodist Church in Asheville on September 29.

Bishop Nolan B. Harmon, resident bishop of the Charlotte area, was one of the featured speakers. Also included on the program was President Emmett K. McLarty, Jr.

Similar rallies are being held throughout the Western North Carolina Conference of the Methodist church. They are designed to acquaint Methodists and other interested persons with the drive, within the church, for financial support for Methodist colleges in Western North Carolina. Brevard College is slated to get \$850,000 from the drive. This money would help Brevard College to expand its services to a wider area and would enable it to reach more of the youth of the church with its facilities.

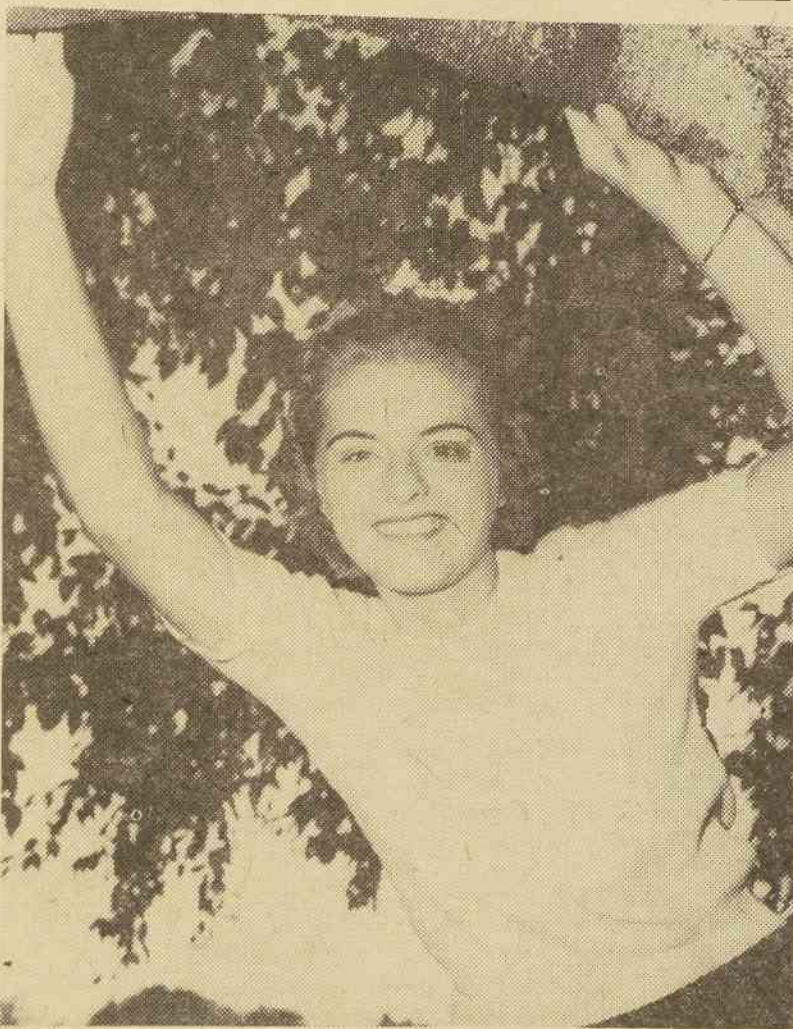

Come One, Come All!

Tonight, October 3, there will be fun for all in the Campus Center Auditorium.

It's big Friday date night, so, boys, grab your gals and gals, grab your boys! The dance will begin at 7:30 and end at 9:45. There will be everything from the best in rock 'n roll music to the best slow, dreamy music.

Refreshments will be served, and entertainment will be provided by the sophomore Euterpeans and Clios. We'll have everything from our own Marilyn Monroe to Dick Starnes, Horace Turner, and Marvin Clarke.

Everyone will be welcome, so see you there!

MRS. JANE GILBERT, pictured above, is the popular freshman who was recently chosen the 1958 Homecoming Queen. Jane's husband is Tommy Gilbert, also a student at Brevard College.

Student Government Presents Program.

During the chapel period on October 1, the Student Government Association presented a unique program centering around conduct in the Student Lounge.

The time was after the evening meal, and the place was, of course, the Lounge. Scene one was a typical, but slightly exaggerated, imitation of the conduct as it now stands; scene two was an example of how students should conduct themselves while enjoying the Lounge. The pulling of the curtain ended, in the narrator's words, "one of the greatest masterpieces of all times."

Professor Roy then turned the
