Tornadoes Win W. C. J. C. C. Tourney

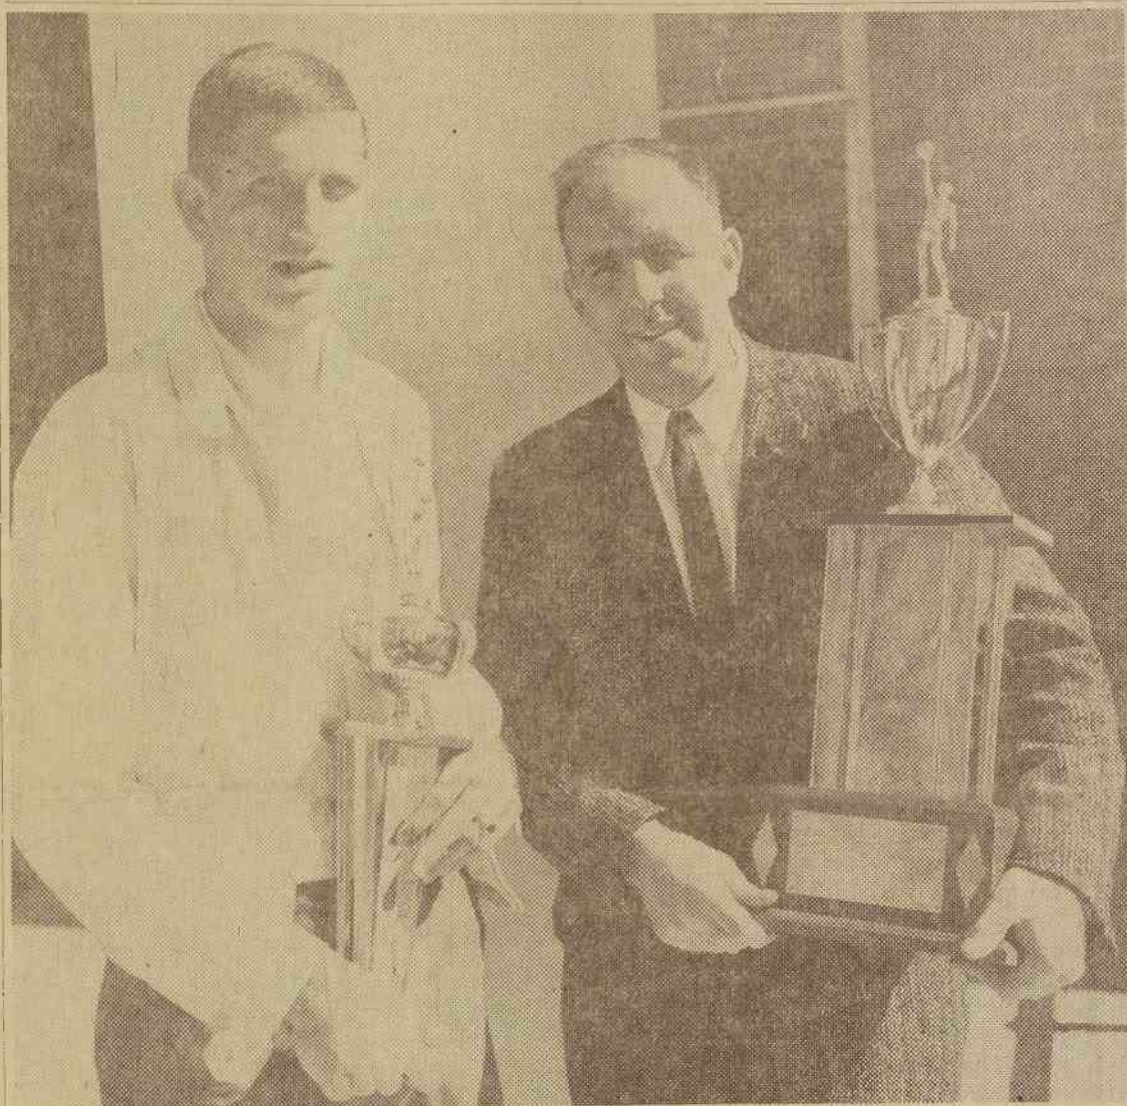

Team Beats NG In Finals For Championship

Behind the brilliant shooting of Tom Barbee, the Tornadoes over-powered the North Greenville Mounties by a 97-74 score in the final game of the WCJCC tourney, Saturday in Greer, South Carolina.

Charlie Jacobs started the Tornadoes rolling as he dumped in the first two points of the ball game. Then North Greenville roared back to take a 11-7 lead. Brevard, not to be "out-done," grabbed the lead back and staved off the Mountie attack.

As the second half progressed, the Mounties fought back to come within three points of tying the score, as Tankersley and Duncan led the way. The Tornadoes then left the Mounties behind as they put on a fourth quarter exhibition of sharpshooting and backboard domination.

Tom Barbee played his best game of the season as he poured in 43 points. Charlie Jacobs --Turn to Page Four

BC Will Meet Winners Of Region III

Due to the winning of the Western Carolinas Junior College Conference tournament championship, the Brevard College Tornadoes are now eligible to play in the 1961 National Junior College Athletic Association Basketball Tournament to be held in Hutchinson, Kansas, March 14-18.

There will be sixteen teams taking part in the tourney which follows a double-elimination format with first-round losers eligible to move back up as far as fifth place in the final rankings.

The Tornadoes have a practice scheduled in Hutchinson from 3 to 4 p.m. March 13. The time of leaving Brevard will depend on the type of transportation that is used.

The schedule of first-round games with last year's regional representatives in parentheses is:

MARCH 14

12 p.m. -- Region XV (Broome Tech) vs. Region V (Howard County)

1:45 p.m. -- Region IX (Pueblo) vs. Region VIII (Arkansas State Beebe Ranch)

3:30 p.m. -- Region II (Cameron A&M) vs. Region I (Phoenix)

6 p.m. -- Region III (Parsons) vs. Region X (Louisburg)

7:45 p.m. -- Region VI (Hutchinson) vs. Region XIV (Tyler)

9:30 p.m. -- Region IV (Wilson) vs. Region VIII (Chipola)

MARCH 15

1 p.m. -- Region XIII (Virginia) vs. Region XVI (Lindsey-Wilson)

2:45 p.m. -- Region XII (Henry Ford) vs. Region XI (Grand View)

There is a good chance that Brevard will be playing the Parsons, Kansas team in the first round. Last year this team was the national champion. They were sure of at least a tie for first place in Region III as they went into the final week of regular season play with a 16-2 record. --Turn To Page Four
