Even though the Brevard College Tornado basketball team was defeated twice by Wilmington Junior College in the Region 10 playoffs, they are to be commended on a superb and outstanding effort for the year.

Joe Forte is to be praised for his outstanding basketball performance for the whole year. Joe pulled the team out of several close ones and made the difference between winning and losing.

Ray Hoxit, the big man on the team, was responsible for most of the rebounds collected by Brevard. In such games as the tournament contest with Lees McRae, Ray controlled the boards and definitely was the main effort in the victory.

Gene Allen, the steady sharpshooter, who racked up a sizable amount of points, has been "Mr. Reliable" for two years when the team was trying to take a close one. Last year, he hit on 52 of 56 foul shot attempts.

Doug Rogers, the man on the team who is noted for banking those beautiful shots off the backboard, has turned in a fine season. His assists, along with the points he made, greatly helped the team and its cause.

Eddie Schwab and Leahman Stanley, two standout freshmen, were significant mainly in the defensive work. Both boys are expected to be assets to the Tornado squad next year.

The other players — Glover Summey, Charles Cort, David Cort, Monroe Whitt, and Jimmy Holder — turned in fine performances when they were called on.

Well, it looks as if "spring has sprung", evidenced by all the activity on the outside. The track team, baseball team, and tennis team are busy working out and absorbing the beautiful sunshine.

Concerning the track team, it seems that many of the boys who appeared to be good prospects for the coming season, have lost interest or dropped out. However, three freshmen Bob Malsby, Wilson Jenkins, and Mels Carbonell are expected to give the team added strength. Malsby, who was top man in cross-country, hopes to better the school record of 2:01 in the 880 yd. run. Jenkins looks strong in the 440 yd. run and the shotput, while Carbonell's specialties will be the broad jump and the low hurdles.

The first track meet will be held here April 1, against Wofford College. This college is one of the several senior colleges which the Tornado cindermen will be competing against. The regular season schedule includes the News-Piedmont Relays and the Davidson Relays held at Furman and Davidson Colleges respectively. At these meets, the Tornadoes will compete with some of the best track men in the southeast.

The baseball team under the direction of Coach Gil Coan, Sr. of Brevard, has also been practicing strenuously these past two weeks. There are seven returning lettermen who will provide much of the power of the team: Roger Cumbie, Doug Rogers, Charles Cort, Joe Forte, Gil Coan, Jr., Carlos Perez, and Artie Irvine.

The freshmen who are trying for starting positions on the team will add much in overall strength to the club. Leahman Stanley, Monroe Whitt, John Poe, Joe Humphries, Jerry Jenkins, Mike Brown, and Bob Reeves, are all showing good capabilities in practice. The first game will be April 4, at Anderson Junior College.

Wilmington Wins Region Play-off

Wilmington downed the Brevard College Tornadoes for the second time at the Wilmington gym, March 11, by a score of 78-66.

This victory gave Wilmington the Region 10 championship and a trip to Hutchinson, Kansas, to represent the region in the national play-offs.

Brevard led 39-34 at halftime, but Gene Bogash, rated third in the national junior college play, sparked his team in the second half. They tied Brevard, 59-59, and kept the lead for good.

Bogash led Wilmington in scoring with 31 points, followed by Shipp with 14 and Hamilton with 13.

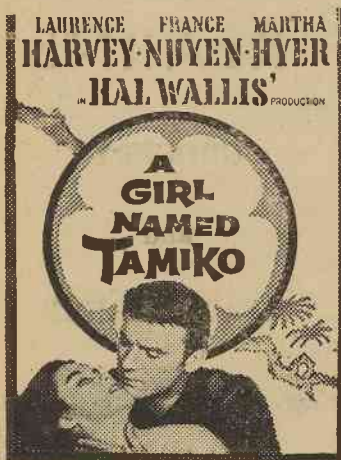

Joe Forte was high point-man for the Tornadoes with 25 to his credit. His teammate, Gene Allen with 15 points, was the only other Tornado in double figures.

The two teams met each other at Brevard, on March 9, for the first game of a two out of three series. Wilmington won, 92-64, with the great effort of Bogash. He scored 42 points and claimed 29 rebounds for the night.
