## OLD GRADS RETURN FOR HOMECOMING

### Beam Grant Now Matched

The construction of the Beam Administration building on the campus of Brevard college was authorized by the Board of Trustees at their annual fall meeting last Friday.

This beautiful structure will be erected in the quadrangle with the new Science building, and construction will begin in the spring when weather conditions permit.

This building is named in honor of Mr. and Mrs. Grier Beam, of Cherryville, whose challenge grant of \$100,000.00, initiated the most recent capital funds drive.

Matching funds of \$125,000.00 were raised by the Board of Trustees under the able direction of Allen H. Sims, of Gastonia who is chairman of the board.

The trustees approved other long-range projects at the important meeting last Friday.

The present cafeteria will be enlarged to serve 50 per cent more students, and the \$500,000 Campus Center building will be remodeled to become the music building.

Plans were formulated for the building of a new library, and efforts were launched for necessary funds for its completion.

The present library building will then be remodeled to become the Student Center building, which will be named The Sims Student Center in memory of Mr. and Mrs. Allen Sims' two sons, Albert Harold Sims and Rufus David Sims.

The new library will bear the same name as the old one, "The James Addison Jones Library", in memory of the father of Edwin L. Jones, who has served as trustee of the college for many years, and whose leadership guided the

### Students Suggest Highlanders

In a contest conducted by the S.G.A., the majority of the student body chose **Highlanders** as the nickname they would like for the athletic teams at Brevard.

The Student Government Association placed a suggestion box in the Soda Shop and students were asked to submit names if they would like to see the name **Tornadoes** changed. Several names were suggested and many were suggested more than once. From all the names submitted,

the S.G.A. chose four that would be the most significant and presented them to the student body. The voting was as follows: **Bears**—16, **Blue Knights**—80, **Highlanders**—132, **Wildcats**—30.

The new name, however, will not be official until it has been approved by the Executive Committee of the college.

### Milner Wins In Run-Off

After two weeks of hard campaigning, Hugh Milner was elected president of the Freshman Class. He defeated Tony Rigual in a run-off election.

At the end of a week of campaigning elections were held and due to the lack of a majority of votes by certain candidates another week was spent in the run-off campaign. In the first election Dot Goedert was elected vice president.

Donna Nichols was elected secretary-treasurer over Dianna Young and Rosemary Webb. For the office of S.G.A. representative Judy Harper was elected over Shep Oliver.

The climax of the campaigns came on the day before the final elections. Students and candidates gathered in the CCB auditorium for a political rally. All the speeches were of a very high quality.

### Library Receives New Books

The College library has been receiving large orders of new books of every sort for months.

Using the Buckner Memorial Fund for many of the books, the Library has purchased a new volume of the Encyclopedia of Art, music dictionaries, foreign language dictionaries, a number of standard biographies, history, many fiction works, and works of general interest.

The librarians urge the students to watch the New Books rack for the orders of new books placed there each week. These books will be available for circulation on Thursday of the week they arrive. Before that time they may be put on reserve.

### Jones Announces New Staff Members
