## Martin Goes To Kansas

Coach Chick Martin attended the annual NJCAA national meeting March 15-20 in Hutchinson, Kansas. The meeting is held in conjunction with the NJCAA basketball tournament. Coach Martin is the director of Region X, which includes 19 Junior Colleges from West Virginia, Virginia, North Carolina, and South Carolina.

The main function of the meeting is to discuss national eligibility rules and regulations, to study the districts throughout the nation, and to work out athletic programs for national meets and tournaments. Other functions are to appraise bids from areas that want to host national events, and to set up a budget.

The directors, of which Coach Martin is one, control all sports held between NJCAA colleges.

## Baseball Season Opens

The baseball season opens tomorrow for the Tornadoes. The team takes on the University of North Carolina's freshman team.

The tornadoes have a new coach this year. He is Danny Bost. Coach Bost played for Catawba College and Brevard.

Coach Bost has lined up a 16-game schedule for this spring. Several of these games will be double headers.

There are only two letter men on the team, but there are 16 very good freshmen out.

The Tornadoes will have a mound staff of seven this year. Bob Stallings is the only sophomore pitcher on the team. Vernon Arnold, Johnny Logan, Duane Morgan, Bob Pickens, Luth-

er Smith and Ralph Norris are the freshmen pitchers.

Steve Ferrell, Buford Burke and Bill Smith will be doing the catching this year.

In the infield Don Cagle and Luther Smith will be playing first base.

At second base will be David Morrow. Playing short-stop are Stan Perry and Dennis Houston.

Sophomore Richard Aldridge will be playing at the third corner of the infield. Dennis Houston will also play third base.

Playing in the out-field will be Bob Stallings, Buford Burke, Donnie Simpson, Randy Stoneman, Tony Russell and Bill Smith.

Steve Harrison is head manager and Steve Jones will be his assistant.

The material is there, as well as the coaching. The weather will be getting warmer (we hope). All that is needed is the spectators to come out and cheer for the team.
