JOHN SPENCER CHURCHILL

Churchill Opens Festivities

John Spencer Churchill, author, painter, and nephew of Sir Winston Churchill, will be the Lyceum speaker tonight. He is the son of Sir Winston's younger brother, Major "Jack" Churchill. His topic will be "Winston Churchill and the Churchill Family."

With this speaker, Brevard College students will be able to see some characteristics of one of the greatest men in twentieth century time. John embodies many of the traits that made Winston the man he was. He is a flamboyant, witty speaker with the trace of sarcasm that his uncle used throughout his political career.

Like Winston, John displays the Churchill eccentricities that became a legend with the Prime Minister. While attending Harrow, John became an accomplished acrobat. This talent led to his social escapade of leaping off the balustrade during a party and catching hold with his passing hand just as the ladies began to scream. At Oxford he belonged to a club whose most enjoyable aspect was luxurious railway joy-rides. John has been married four times. He pursued his first two

loves across Europe sporting a false mustache with the first

Whatley Receives Music Masters

The Clarion extends congratulations to Mr. George Larry Whatley upon receiving his Master's Degree in Music from the University of Alabama.

Mr. Whatley also received his Bachelor of Music from the University of Alabama in 1962. In the fall of 1962, he spent a year in residence at UA working toward his masters.

Coming to Brevard in the fall of 1963, Mr. Whatley attended the University of North Carolina at Chapel Hill in the summer of 1964. This study was for the completion of his work toward the Master's Degree. In the first weekend of October, he took his oral examination and entered his thesis, which consisted of two compositions — "Quintet for Woodwinds" and "A Symphonic Overture," a composition for orchestra.

Homecoming '65 Takes Off

by Gail Drake

Homecoming '65 will be one of the most eventful occasions in the history of Brevard College. Many activities are planned to welcome back the alumni and entertain this year's student body.

At 8:15 Friday night, there will be a lyceum program featuring John Spencer Churchill, nephew of the late Prime Minister Winston Churchill. After the lyceum there will be a bonfire held outside the gymnasium. The cheerleaders will lead some cheers to incite a spirit of interest in the students who will attend the soccer game on Saturday.

The cross-country track team will have a meet starting at half-time in the soccer game. The event begins at the baseball diamond and also ends there.

On Saturday afternoon at 2:00 P.M., there will be a soccer game against King College of Bristol, Tennessee. The Brevard College Wind Ensemble will be on hand to provide music for the game. During half-time the Queen and her Court will be presented. The three sophomore candidates are Dottie Koontz, Linda Ratteree, and Donna Washam. The two girls who are representing the freshman class are Linda Wilson and Carol Clayton. Also, the cheerleaders for '65-'66 will be recognized.
