

MRS. MARIE CRAIG

## Benge, Craig Wedding Held

Miss Marie Benge, daughter of Mr. and Mrs. Kelly L. Benge, of Black Mountain, was married to William Stanley Craig on Saturday, October 9th, at 4:00 in the Black Mountain Methodist Church.

The Rev. James B. McLarty, minister of the church and Dr. Emmett K. McLarty, president of Brevard College, officiated. Wedding music was by Mrs. J. W. Bergthold, organist.

The bride is a graduate of Brevard College and Western Carolina College and has taught in public schools in Weaverville and Franklin. She is presently on the faculty of Brevard College.

The son of Dr. and Mrs. Robert L. Craig, of Asheville, the groom is a graduate of North Carolina State College, School of Forestry. He is a forester with the U.S. Forest Service on the Pisgah Ranger District at Brevard.

Following a wedding trip the couple will be at home at 12 Park avenue, Brevard.

## Thought Is Seminar

Seminar is an opportunity for discussion-in-depth of the religious aspect of each person. The realization that a religious nature penetrates an individual's whole being—that it is not a separate part of his life—draws the Seminar students together in their seekings. The Seminar students discuss anything concerning religion and many things which are not ordinarily thought of as "religious."

The advisor during Seminar is Dr. David Lea.

Head of the Research Department at Olin Mathieson in Pisgah Forest, Dr. Lea is well qualified to fill the position of leader and has a gift for making students think. The group meets every Sunday morning at 9:45 a.m.

Topics that have been discussed this year are as follows:

- (1) Prayer — its significance and meaningfulness
- (2) The Free Will of Man Under God — Predestination
- (3) The Basis of Morality as Presented in **Honest to God**
- (4) The Divinity of Christ
- (5) The Trinity

These discussions by no means terminate into manufactured and finished products. In fact, they often present the student with more questions. He finds that he must examine more than ever the basis of his faith. In other words, if he has not made a particular faith his own through the struggle of finding his relationship to the world, then he has no real faith of which to speak. On Sunday, October 17, the topic to be discussed in Seminar is "The Resurrection and the Miracle."

## Homecoming

(Continued from Page One) designate places for the class reunion meetings that will follow at 2 o'clock.

The alumni are invited to attend the soccer game and are also invited to the Homecoming Dance.

The theme of the '65 Homecoming Dance is "Two Different Worlds." The dance will be held at Boshamer Gymnasium from 8:00 to 11:00 p.m. The gymnasium will be decorated in blue and white on one side and red and black on the opposite side, showing the contrast between the two worlds. Music for the dance will be provided by The Ambassadors from Appalachian State Teachers College in Boone, N. C. The band is composed of eight pieces, including a vocalist. The Homecoming Queen and her Court will be presented at the dance and the Queen will be crowned.

This year's Homecoming should prove to be not only one of the biggest, but also the best that Brevard College has ever had.

## Moser Presents Spirited Lecture

Mr. Artus Moser's program at our last Friday at Four was very interesting for the folk and mountain-ballad enthusiast. Mr. Moser, after a few opening statements, read to the attentive audi-

ence a few stories concerning legend and true happenings in this vicinity. The first story dealt with a group of old-timers talking about facts and legends in the mountains of this area. Interspersed in the story were three folk ballads which Mr. Moser sang. The second story was the true account of a man who was charmed by a rattlesnake. Mr. Moser took this story verbatim from a man's private journals. It was a strange and humorous story of a man who was going to kill a rattlesnake, but the creature got the better of the situation and almost had the unfortunate man kissing his mouth. The third story was taken from a newspaper account and told of George Vanderbilt's encounter with a mountain man. The man asked Vanderbilt to stay for supper and fed him what Vanderbilt considered a delicious type of meat. The connoisseur later discovered to his horror that it was wildcat meat.

Mr. Moser remarked to some of the students who stayed after the program upon the importance of recording old ballads and folk tales. He commented that they were a valuable part of the American heritage and should be preserved.

The program was quite different and interesting. It was well worth the student's time. The Phi Theta Kappi should be commended for their choice of speakers.

The Intramural Cross-Country meet will be held Friday, October 22 at 4:15. This will give each team a chance to gain extra intramural points. There is not a limit to the number of participants from each floor, so every one is urged to come out and run.

### The Top Button . . .

Should it be buttoned? The traditional 3-button coat is usually worn with the middle button closed. The lapel is often rolled to the middle button, suggesting that the top button be left open.

A simple rule is to button the middle, never the bottom, and the top button is optional.

The two - button coat, however, is always worn with the top button closed.
