Soccer Team Drops Homecoming Game

Brevard dropped its second game in a row as Wingate spoiled their Homecoming game by posting a 3 to 2 win. Mistakes hurt the Tornados throughout the match. In the first quarter, Ralph Lundy, Brevard fullback, kicked the ball into his own goal giving Wingate a 1 to 0 advantage.

In the second quarter Brevard miscued again with John Wayant fouling Wingate's Hickman in the penalty area. Hickman sent the penalty kick in, and Wingate took a 2 to 0 lead at the end of the first half.

Brevard fought back in the third quarter, scoring two goals.

The first was on a penalty kick by Mike Michner. Jack Crowder evened things up as he scored just before the third quarter ended.

The fourth quarter started evenly, but Hickman scored his second goal of the day with six minutes remaining. This proved to be the winning goal.

Coach Tauscher stated that he was disappointed in the performance and knew the team was capable of doing better.

Brevard traveled to Clemson yesterday (results in next week's Clarion) and will entertain King College Tuesday, October 22.

Wingate seems to have the grips on a BC Tornado during the Homecoming game. Brevard struggled, but fell short in a 3-2 decision.

"Current And Controversial" Now On Display

A series of displays of new pamphlets which deal with current social issues is announced by the college library staff. This bulletin board feature, entitled "Current and Controversial," will acquaint students with the diversity of informative material which comes to the library in pamphlet form.

During the three weeks prior to the presidential election, the display is centered upon the candidates and relies primarily upon relevant magazine articles and cartoons.

Following that, displays will be built around such current issues as law and order, urban problems, black power, poverty, a guaranteed annual income, the war in Vietnam, Selective Service, and alternatives to the draft.

Pamphlets may be read in the library while they are on display. After they have been placed in the vertical file, they may be taken out on an overnight loan.

The Beach Boys, the 1910 Fruitgum Company, and others will appear at the Greenville Memorial Auditorium Saturday night, at 8:30 p. m. Admission is \$4.00, \$3.50, and \$3.00. Tickets may be obtained at the door.

Roadrunners To Attend Big Meet

Calloway Gardens, should prove to be the cross country's biggest test as they run against several major colleges there Saturday.

The team is pitted against such schools as the University of Florida, The University of Georgia, the University of Tennessee, and Georgia Tech. Coach Witek states that Bob Gray will really be tested Saturday. The competition will in all probability be greater than that in the national meet, which is only a couple of weeks away.

Coach Witek is anxiously watching as the team matures and grows stronger with each meet. He cited three freshmen, Don Jones, Sammy Autrey, and Willie Davidson as really moving up and taking up the slack which was prevalent at the season's opening.

Roadrunners Sweep Homecoming Race

With an overwhelming sweep, Brevard's cross country team earned a Homecoming victory by outscoring Wofford and Milligan 16-54-70.

Bob Gray and Jim Fussell again paced the team with times of 14:47 and 16:02 respectively. Both Gray and Fussell are undefeated thus far this season and continue to set the pace for the rest of the team.

One Milligan runner averted a complete shutout Saturday, as he captured 5th place, the only slot in the top seven not held by Brevard.

Should we suffer because the irresponsible few destroy what the majority is working for? The right to make our own decisions involving matters that should be left up to us, but are not, is our natural right.

Music and blues is also included in the person of Rev. Fred Kirkpatrick.

Mountain clog dancing, enjoying a revival of interest throughout the United States will be represented by the Blue Ridge Mountain Dancers. This precision dance ensemble will also offer a dance workshop as part of the festival that evening and will instruct all interested Brevard College students in the finer points of clog dance technique.
