Grads Defeat Soccer Team

Two ex-Brevard soccer students were instrumental in handing the Tornadoes squad their third defeat of the season, 4-3, against Clemson Thursday.

Dave Mullis and Malcolm Carstain turned in outstanding performances for the Clemson 11 against their old alma mater. Carstain put in two goals for the Tigers to lead their victory march.

Although being defeated by the stronger, more experienced squad, Brevard turned in one of the season's finest performances. Scoring for the Tornadoes was Jim McCombs and Mike Mitchner with a goal each. The other tally was made by a Tiger miscue.

Roadrunners Perform Well In Big Meet

Pitted against their toughest competition of the season, Brevard's cross country runners managed to take 10th place in a field of over thirty schools in a six mile road race at Caloway Gardens, Georgia, Saturday.

Finishing first for the Brevard College team and 3rd overall, Bob Gray hit the win with a time of 30:15. Jim Fussell was the next road runner to finish in 34th position.

Former Brevard Coach Thad Talley's team from the University of Tennessee copped the victory with several outstanding runners finishing near the top.

Kirkendall, Michner Guide BC To Victory

The Brevard Tornadoes jumped out in front and stayed there to claim a defeat over powerful King College in a soccer match October 22 on the home field. The final score was 3-2 with all of "favorite interests" might be the first half. Kirkendall scored once and Michner scored

twice to make it 3-0 at halftime. King bounced back and scored once in the 3rd period and once in the 4th period, but could not make up the one goal deficit.

Lundy and Smith led the improving defense of the Tornadoes.
