### Final Music Showcase Weekend Begins With Picnic

**WARM WEATHER** in Brevard country has brought students outdoors for fun and games or simply to enjoy the weather. It is apparent that spring is on the way. In these scenes, Claire Colquitt (left) balances herself to brave the hop-

scotch course, Jerri Gilio (right) strikes a playful pose with a soccer ball, and Enety Takundwa (below) reflects on the future while enjoying the beautiful weather.

The third and final music showcase weekend of the year at Brevard College will be held March 20 - 22. The weekends are planned for the purpose of enabling prospective music students and their families to explore the music program at the College.

The weekend will begin with registration this afternoon in Dunham Music Center from 3-5:30 p. m. At 5:30 the students will meet in Dunham to leave for a picnic at Burl Mountain, and at 8 p. m. will attend the formal recital of Judy Hahn, Piano; John Hoppe, Trumpet; and Penny Taylor, Soprano, in the Auditorium.

Saturday morning from 9-12 auditions and interviews will be scheduled with Music faculty, Admissions and Financial Aid Officers, etc. Also, prospective students will be able to attend a make-up class in Freshman Sight-singing and Dictation. Before and after lunch the students will be able to participate in an open recital of the Glee Club, preparing for a spring tour. At 3 p. m. the group will leave for Mt. Pisgah and hiking, along with a picnic. The activities Sunday include a recital by Lorna Lutz of Greensboro college, at 3:30 p. m., in the Methodist Church across from the campus.

### 6, 5, 4, 3, 2, 1, . . . "Free"!

Attention Brevard College Students!

Spring Vacation begins with the end of your last class, Wednesday, March 25, (as if you didn't know) and ends on "April Idiots' Day." I know it will be difficult to leave, but the administration demands that we put aside our books and our quills and take a rest. AHA! Little do they realize that one cannot put aside what he has not taken up! College Easter Breaks have traditionally been noted for their ability to relieve the tensions of even the most dedicated scholar.

It is anticipated that Brevard will be well represented at Ocean Drive, Daytona, Va. Beach, and many other popular "unwinding" spots. Rumor has it that Ft. Lauderdale has been declared a disaster area by the government of Florida. If he thinks it's bad now, what's he going to think when the college crowd gets there!

Well, before this article gets censored, I'd like to wish you a week of green lights and blue skies. Keep swingin' and don't get caught . . . (OkBye) . . . and don't mix alcohol with gasoline (it tastes terrible.)

### Morehead Scholarship Is Awarded To Teacher's Son

Richard S. Daniels, son of Mr. and Mrs. R. L. Daniels, was recently awarded the John Motley Moorehead Scholarship for his scholastic, civic, and extra curricular achievements. The Scholarship is to the University of North Carolina at Chapel Hill for \$8,400. This

amount pays for his entire expenses, including \$50 per month spending money for a four-year period. The competition for the scholarship began in Transylvania county. He was then considered among 13 Western North Carolina counties before the final statewide competition. There are only six high school boys in North Carolina that receive the award yearly.

Richard is a 17 year old Senior at Brevard Senior High School where he is President of the Student Body, Co-captain of the basketball team, a member of the golf team, and he is an Eagle Scout. These along with other leadership qualities qualified Richard for this award.

Richard's mother, Mrs. Rachel Daniels, is a mathematics teacher at Brevard College.

### Cookout Sat.

All girls are invited to attend a cook-out at Camp Pisgah this Saturday at 2:00. The cook-out is sponsored by the Women's Recreation Association. Those interested in attending should contact Patsy Everhart or Carolyn Spain. Everyone will meet down at the gym at 2:00 to leave. The cost is fifty cents per person.

### "Alarm Clock" To Play Here

You won't have to set your alarm clocks Saturday night. Why? — because the "Strawberry Alarm Clock" will be at Brevard College.

On Saturday night, March 21st, the "Strawberry Alarm Clock" will play at the new gym. The dance will be from 8:30 to 12:30.

The affair is to be semi-formal with a price of \$2.00 per couple and \$1.00 stag.

One of the band's big hits was "Incense and Peppermint" which I'm sure you all remember.

It will be a great way to start

the spring holidays, so instead of packing up and leaving for the weekend, let's go to the dance.

Brevard High students have been invited to attend the dance; social board members have been selling tickets at the high school this week. The Social Board wishes to extend a warm invitation to the high school students. Any faculty or staff at both the college and high school are invited to be our guests.

All students are reminded that they must present ID's at the door.
