

Eleven sophomores out for soccer

Although this year's edition of the Brevard College soccer team may not be up to last year's, and may not make the national play-offs, in the eyes of its new coach, Hugh Moran, it has much to offer. Besides being well trained, it is hard working and seems to have enough determination to make this year's season a memorable one. Coach Moran's only regret is that more sophomores did not go out for the team.

Moore, Robert Reper, Harley Smith, Larry Swift, Ed Wallace and John Warlick. Dennis Brown, Jimmy Jacobs and Jerry Tuttle, also sophomores, were chosen as tri-captains.

Freshman team members include Douglas "Bullet" Bentley, Jim Clayton, Scott Dalrymple, Tommy Elliott, Deam Hamrick, Allen Koon, Sonny Merrit, Tony Thomason, Clayton Tinny, Doug White, and Niles Whittaker.

The team will make its first showing on Tuesday, September 7 at 4:00, when it meets Clemson University at Clemson, South Carolina.

Participating on the team this year are sophomores Tim Chance, Burton Kennedy, Neal

None But The Brave to be shown in Dunham tonight

Frank Sinatra is a star of screen, television, records, nightclubs. He owns radio, record and film-production companies and recently became special assistant to Jack L. Warner, head of Warner Bros. Pictures. What more could he want?

"I have planned for ten years to become a director," says Sinatra. "Eventually I'll be too old to play the kind of characters I like. I've studied the methods of Hollywood's best directors, and have spent a lot of time in cutting-rooms helping to edit my own pictures. I think I know acting and story values. Then I found this script at Warner Brothers, written by

a Japanese and telling a tense World War Two story about the Marines from the view of the Japanese. It was the script that made me decide to direct at this time."

The script was the one for "None But the Brave" and in his hands it became the basis of a multimillion-dollar production with an international cast. Sinatra stars, together with Clint Walker, Tommy Sands, Brad Dexter, Tony Bill, Sammy Jackson, and two outstanding Japanese actors, Tatsuya Mihashi and Takeshi Kato.

Characteristically, the restless Sinatra sought no easy paths in planning his produc-

tion of "None But the Brave". He took many of his players from television, sports, singing and recording. And he passed over the temptation to use Nisei, that is American-born Japanese, as other film-makers do because when Nisei speak they lack the authentic fanatical quality of Nipponese warriors. What he did was to obtain the services of 12 outstanding Tokyo actors, and virtually a second production-company to handle them. At 8:00 p.m. on Friday night, September 10, 1971 'None But The Brave' will be shown in the Dunham Auditorium. Admission will be \$.55 and refreshments will be served.

Cross-country prepares for practice meet

Early morning jaunts around campus have helped prepare the cross-country Tornados to face Furman and Georgia State in their first practice meet September 18. Game time is 11:00, and there will be no admission fee.

Of the fourteen-man team, only three are returning sophomores. Five runners finished in the top fifteen of their state meets. Freshman Ronnie Rash is running number one this season with no previous cross-country experience. Though the team is lacking in maturity, its strongest asset will be in its depth.

This year's runners include freshmen Tim Braxton, Bob Crump, Grady Decall, John Grady, Gene Hehman, Stewart Parrish, Robert Patterson, Dave Peacock, Ronnie Rash, Charles Summitt, and Bill Triplet. Sophomores running cross-country are Jerry Pugh, Mike Smith, and Tim Jordan.

"The guys are very dedicated and willing to overdo themselves, bettering our chances for nationals," says Coach Norm Witek.

Model enrolls at Brevard

(Continued from Page Two)

bie has not really had an opportunity to do much modeling, but she plans, as her own agent, to get as much modeling done during weekends and breaks as possible.

"I love the people at Brevard, but it is hard going to school and keeping up my modeling career," says Debbie, who also attended a summer school here at Brevard, which gave her a good insight into college life.

Debbie wants to get a degree in Secretarial Science at Brevard and then go back to Greensboro to begin a full-time modeling career and get married.

Intramurals planned for 71-72

A wide variety of intramural activities are planned for Brevard College during the 1971-72 school year. Designed to provide wholesome physical activities for all students, the program is divided into men's and women's divisions.

Men's team sports to be offered include flag football, basketball, volleyball, softball, soccer, track, swimming, and cross-country. Individual sports will be tennis, badminton, ping-pong, billiards, horseshoes, and handball.

Among the women's team sports being scheduled are basketball, volleyball, kickball, softball, and swimming. Badminton is planned as a doubles sport, and target archery, badminton, tennis, ping-pong, pocket billiards, paddle ball, basketball free-throws, and basketball accuracy are individual sports.

Mr. Larry Burch is serving as director of men's intramurals. He is aided by Lanny Cole, student director.

Acting as women's intramural director is Miss Gail Anderson. Her student assistant is Becky McGrady.
