

Three Trackers Qualify Nationally

With only four meets under their belts, Brevard has already qualified three individuals for the national meet, while setting two school records. School records have been set in the 10,000 meters by Tim Black who ran 31:26.8 at the Florida Relays, while finishing 2nd in the open division of the 10,000 meters. The other school record was set by John Dennis, who jumped 48'7" in the triple jump against Carson Newman. Both freshmen, Tim Black and John Dennis will join sophomore David Hall, who qualified in the 5,000 meters at 14:47.6, for the national meet to be held in Champaign, Illinois in late May.

G'boro Runner To Join Brevard Team

John George, one of the top high school distance runners in the state, signed a track and cross country letter of intent with Brevard College. John George, from Page High School in Greensboro, finished second in the state cross country championships, while finishing second in the state mile last spring.

"John George will be a great asset to our program," said Coach Norman Witek. He has great background in distance running, finishing second in a 13.1 road race at 72:17. In addition, John has excellent academic credentials which made his decision between Brevard and the University of North Carolina a very difficult one.

The peculiar evil of silencing the expression of an opinion is that it is robbing the human race. If the opinion is correct we are deprived of exchanging truth for error. If it is wrong, we lose what is almost as great a benefit, a clearer perception and lovelier interpretation produced by its collision with error.

Carson Newman Steps On BC Toes

After easy victories at home against Wingate and Milligan, Brevard met its match against a strong Carson Newman team on April 1st. The final score was Carson Newman 108, Brevard 98, Milligan 34, and Vanderbilt University 28.

Although Carson Newman expected an easy win because of its extreme advantage in the sprints and jumps, Brevard countered with Sulayman Njie and John Dennis to split up the points. Brevard managed to stay close by taking the first three places in the pole vault, 440 intermediate hurdles, and 3-mile run.

The top scorer for Brevard was Lamar Roberts, who ran in two relays, while placing 2nd in both of the hurdle races. During the course of the meet John Dennis set the school record in the triple jump with a leap of 48'7".

Although Brevard lost the meet, they came away a winner because many individuals had their best competitive race of the year. Only the hammer throw, which Carson Newman swept on the last event of the day, denied Brevard of victory.

Mike Jackson to return, 1977-78 was pictured as a rebuilding year. However, the Tornados made a strong run at second place, posted a 13-7 Region X record and were extremely competitive with the best teams on the schedule.

The highlight of the year was the play of freshmen Chico Horton (14.8 points per game) and Benton Wade (20.8 points per game and 12.7 rebounds). Wade was named "Player of The Year" in the WCJCC, first team "All Region X", and finally "All American". He is Brevard's first basketball "All American" since Tom Barbee in 1961.
