## Houk Seeks Informed Voters

by Debi Crane

In a recent interview Dean Margaret Houk said of the upcoming SGA elections, "I want to see both qualified candidates and well informed voters." She went on to tell about the time a boy ran for president of SGA and as it turned out he didn't even have the grade point average necessary for return the following year. Luckily the boy didn't win.

Ms. Houk said that one of the biggest problems in the last few years was to get the resident hall

officers tied into the legislature. "To often the dorm representatives didn't even realize that they were supposed to attend SGA meetings," said Dean Houk.

"The elections shouldn't be popularity contests. The student who is voting should ask himself some questions. Is the person that you are voting for for president good at planning social activities for the whole campus? Are the people that you are electing to be your Vice

Presidents open minded and fair, after all they will be serving on the Judicial Board," said Dean Houk.

Ms. Houk said that there was 2.3 GPA requirements for the Presidential and the Social and Judicial Vice Presidents. There is a 2.0 stipulation for the other senators. She also said that the dorm from which the student is elected must be the dorm in which the student lives next year.

All students are eligible to vote in the election of the President, the Social Vice President and the Judicial V. P. Applications for running for these positions are available in Dean Houk's office and the deadline for application is March 16.

## "The Curious Savage" Selected As Spring Production

Professor Sam Cope will direct a cast of twelve in his spring production, The Curious Savage, a comedy by John Patrick.

Former Brevard student, Debbie Deaton, will take the lead role of Mrs. Savage. While at B.C. Ms. Deaton had several major roles in the drama departments productions. She is now employed by WLOS-TV.

The three Savage children, Lillie Belle, Titus, and Samuel will be played by Katy Waters, Tim Gunter, and Steve Collins respectively.

The inmates of The Cloisters, the asylum where the action takes place, will be acted by Frank Latimore, Mike Shalometh, Tempe White, Bobbie Orr and Jenny White. Jonathan Young will play the part of Doctor Emmett and Clara Allen

will portray Miss Willie, the asylum's nurse.

The play tells the story of Mrs. Savage's committment to the asylum by her children who feel that she is no longer able to handle her own affairs. Ms. Waters plays the role of a rich socialite who has been divorced six times. Gunter's character is a senator who receives more threatening telegrams than anyone else on Capitol Hill, while Collins plays the part of a judge who has the somewhat dubious distinction of having had more decisions overturned than any other judge.

The play promises to be a bright interlude in the spring semester. It will be presented in the barn theatre April 5, 6, and 7 and is part of the Life and Culture Series.
