### Booters Gain Revenge

By Mike McFarland

The B.C. soccer team defeated Montreat-Anderson 6-0 before a large Homecoming crowd on October 13th, rebounding from a disappointing 1-1 tie with Dekalb-South the previous day.

The Tornados, who had beaten the Cavaliers by a lopsided score earlier in the season, used ball control to dominate the game. Montreat attempted only three shots the entire game as compared to B.C.'s 59.

Ed Pagan, the team's top striker, led Brevard's scoring binge with two goals. A Pagan goal combined with scores from Hassan Regimand, Jeff Loftin, and Andy Dickinson enabled Brevard to race to a 4-0 halftime lead. Pagan teamed with Ted Winston to provide two second half goals. Jeff Loftin and Dale Romnosky registered assists.

Coach Scarborough attributed the wide margin of victory to the fact that the two teams are simply in "different leagues." Scarborough was pleased that the Homecoming victory game him opportunity to let his non-starters gain some valuable experience.

Friday's game with Dekalb-South was a different story. A tightly played first half ended with Brevard ahead 1-0 due to an Andy Dickinson goal with just 50 second remaining.

The second half was not pretty from either team's point of view. Both teams battled furiously. The result was Hassan Regimand's ejection from the game and a broken leg for a Dekalb-South player. The tie occurred when Dekalb-South's Joe Cofer, on an assist from Terry Shackelford, scored with only 1:30 remaining to be played.

Coach Scarborough termed the contest as "an unusual game" because Dekalb-South "went out of control." Scarborough feels that had Hassan, who was red-carded early in the second half, been able to stay in the game that it would not have ended in a tie. Another big factor, according to Scarborough, was a 20-minute second half delay necessary to administer to Dekalb-South's injured player. Scarborough is not dissatisfied with his team's efforts because "under all the circumstances, they kept their composure." He explains that the game illustrates well that Brevard is "the classier club of the two."

The game of the 12th and 13th left Brevard's booters with an 8-2-1 season record. Upcoming games scheduled include: Fri., Oct. 26th vs. Dekalb, Central at Dekalb; Sat., Oct. 27th vs. Dekalb, South at Dekalb; Sat., Nov. 3 vs. Warren Wilson "B" at Brevard.

### Spikers End Drought

By Bobby Henson

The current record of the Brevard College Volleyball team is 2 wins and 12 losses. On Oct. 2 the Lady Tornados were in action at Spartanburg, S.C. against Presbyterian and Spartanburg Methodist. The girls lost both matches by the score of 2-0. On Oct. 5, the Lady Tornados played host to Louisburg and Furman. Again Brevard lost both matches 2-0.

Coach Anderson stated that Louisburg holds the top spot in the Region - play with a record of 10 wins and 2 losses. Louisburg also has an All-American player with a vertical jump measuring 33 inches. On Oct. 6, the Lady Tornados ventured to St. Andrews College to play Chowan and St. Andrews.

The string of back luck continued as they lost both matches again by the identical score of 2-0. However on Oct. 9, Brevard ended it's drought in a tri-match at Boshamer Gymnasium. In the first match of the evening, Brevard defeated Spartanburg Methodist 2-1. Coach Anderson said the team displayed a great deal of confidence which had been lacking in the previous matches.

Coach Anderson said the team did not appear quite as confident

in their second match against Montreat-Anderson as they lost by the score of 2-1. Anderson attributes this to the lack of experience, as she stated earlier in the season.

At press time, information on the tri-match played at Furman on Oct. 25 and the Oct. 26 & 27 tournament at Milligan College was not available. The Lady Tornados host Spartanburg Methodist and Milligan College tonight at 6:30 in Boshamer Gymnasium. This will be the final match of the season for the Lady Tornados, and Coach Anderson would like the support for the team to continue

### Letter to the Editor

I would like to apologize to Yvonne Roop for publicly embarrassing her for the absence of the article on the soccer team in the last issue of THE CLARION. I realize it was not her fault that it did not get printed. I am truly sorry about the incident and am sorry for directing any comments to her.

I also feel that considering the success of the soccer team this year, THE CLARION'S mistake should not go unnoticed either. I realize mistakes are made and I am would like to extend my apology to the entire staff with hope that they too would apologize to the soccer team for their mistake.

Thank you,  
Curt Rubin

Editor's Note: We regret the slight that the soccer team received in our last issue.

### Witek Pleased

By Ray Duckworth

On October 6, 1979, Jeff Wentworth set a new Brevard College course record in a time of 25:22 as he led the way for the Brevard victory over the University of Tennessee Junior Varsity squad.

Other finishers were: Ronnie Treadway, third, in 25:48; John George, fourth, in 25:22; Roger Saltsman, seventh, in 26:36; and Michael Bachman, ninth, in 26:41.

On October 13, the Harriers finished third in the Appalachian State University Cross Country Invitational behind Virginia Tech and Marshall University.

Leading the way for Brevard was Ronnie Treadway finishing second, with a time of 31:50. Treadway was followed by Jeff Wentworth who finished third with a time of 31:55. John George finished 15th with a time of 33:17.

Other Brevard finishers were Michael Bachman, 21, in 33:43; Joe Briscoe, 22, 34:04; and Roger

Saltsman, 24, with 34:08. The 7th man in the B.C.'s team, Greg Stotler, rounded out the field with a 26th place finish.

On October 20, the Brevard Cross Country Team finished sixth out of 11 teams in the 31st annual North Carolina State Championship. Brevard finished behind UNC, NCSU, Pembroke State, Duke, and Wake Forest.

Jeff Wentworth and Ronnie Treadway led Brevard with their 16th and 17th positions respectively. Wentworth covered the 10,000 meter course in 32:09, while Treadway ran it in 32:14. Roger Saltsman finished 35th in 33:21.9, two places ahead of John George at 37th in 33:28.3. Joe Briscoe finished 45th, at 34:01.

"The team ran a fine competitive race," said Coach Norman Witek. "Anytime you can beat half of the four-year colleges in the state, as only a two-year college, I think that you have accomplished something."

Some World Series notes. The Series was one of the most memorable played in recent years between two true championship teams. However, two aspects of the Series really bugged me. One was the atrocious weather that plagued the majority of the Series. Although I do not believe it affected the outcome of the games, I do believe it affected the level of play showchased to the nation. Our best two teams were doing such uncharacteristic things as botching easy double plays and dropping fly balls-but what would you expect out of baseball players playing on a ice hockey rink? Two remedies could cure the situation: either start the Series earlier by eliminating about ten games out of a grueling 162-game schedule; or go back to starting the Series by playing day games on Saturday and Sunday, travel Monday, play night games on Tuesday, Wednesday, and Thrusday, and if necessary, play day games again on Saturday and Sunday. This would utilize the warmth of sunlight by playing four day games instead of the present schedule of two. I beleive the players should be rewarded for making the World Series instead of beingpunishedto play in 30-degree weather.

My other gripe concerns the unpaid political appearance of President Jimmy Carter in the victorious Pittsburgh Pirate locker room following their Series clincher. His participation in the awards ceremony was most unnatural and uncomfortable to both the viewers and the players as he did nothing but get in the way of the people who deserved to be there. Mr. Carter's appearance in front of the millions of baseball fans who wanted to see the stars of the Series instead of a political candidate was tacky and unnecessary - let's hope in the future the President will stick to throwing out the first ball.

One final note. I would like to see the television networks stay out of the loser's locker room following emotional defeats. How can anyone expect a player to say something intelligently objective after losing a tense, frustrating seven-game Series of a close Super Bowl game immediately after it happens?

### Bubba's Football Contest

#### Home Team

- Clemson..... Wake Forest
  - South Carolina..... N.C. State
  - Missouri..... Nebraska
  - Amherst..... Trinity
  - Philadelphia..... Cleveland
  - Miami..... Houston
  - Pittsburgh..... Washington
- Tiebreaker: Pick the total number of points scored -  
N.Y. Jets vs. Green Bay

The winner will receive on free spaghetti.
