Clara Allen Wins Bella Hilands Award

The Bella Hilands Award was presented this morning to Clara K. Allen. This is the first Bella Hilands award given at Brevard College. The qualifications for this award are: 1) an outstanding sophomore with an unusual sense of commitment to his/her goals in life, 2) a special interest in Humanities. This \$500 scholarship was given by an anonymous

donor in honor of a former school teacher, Bella Hilands. The faculty nominated sophomores that best exemplify these qualities. The nominees were then interviewed by the special committee and the nominations were narrowed down til one was selected. Congratulations, Clara, for being the first recipient of the Bella Hilands Award.
