

## Lance Visits College Supporters

By Richy Haymaker

Former Director of the Office of Management and Budget, Burt Lance, accepted an invitation from the Brevard College Administration to appear at the

college on October 22, in appreciation of the special contributors that support the college.

Lance, a strong spokesman for higher education, accepted the invitation immediately, without any charge. Dr. Martinson, President of Brevard College, said Lance usually charges up to

\$5,000 for public appearances.

There will be a dinner at 7:00 p.m. with Lance and the supporters. Students and other members of the college are welcome on a space available basis. Please sign up in the Office of Development, room 205 Beam Administration building. Watch

"Coming Events" for more information.

The President, a friend of Lance, said, "Lance is now probably the second strongest political man in the country." President Martinson was active in Lance's campaign when he ran for Governor of Georgia.

Lance, while in office, was brought to trial for irregularities in banking business. Most of the charges were eventually dropped, and Lance was then acquitted on those remaining.

Lance will be staying at the President's house while visiting Brevard.

Reservations are required. Also on Friday night, there is a Halloween costume party at Ross Hall from 9:00 - 12:00 P.M. Students, wear your scariest costumes and plan to attend.

Saturday activities include a 1:00 p.m. soccer game with USC - Spartanburg. Saturday afternoon at 3:00 there is a basketball scrimmage with blue and white teams which will be played in the Boshamer Gymnasium. There are many other festivities on Saturday, but the highlight of the evening and of Parents' Weekend is the Midnight Square Dance. Midnight Plowboys start the music at 8:00 P.M. and is followed by "Big Band" music provided by the Brevard College Stage Band at 11:00 P.M.

Brevard College Student Government is behind the organization of November 2 Sunday services at the First United Methodist Church. Church services will be held between 9:30 - 10:30 A.M. A special offering

will be taken for the Eagles' Nest Project.

The Eagles' Nest Project is Student Government's other main goal. It is a camp for young diabetic children to help them become independent. To sponsor a child for a few weeks costs around \$500 to \$600.

The Student Government received 10% of the monies gained from the refrigerator sales. This money will be saved for emergencies.

The Brevard Board of Trustees Will be at Brevard College on October 23rd and 24th.

Brevard College Student Government would like support from students to sponsor these events.

Ingrid and Robert McDonald in "Interplay".

## Husband-Wife Team Performs Music & Drama

By Lisa French

"Interplay," a unique combination of music, drama, comedy, poetry, and prose will be presented November 3, at 8:15 p.m., by Ingrid and Robert McDonald in the Boshamer Gymnasium. Ingrid is an Austrian-born actress who excels in word portraits and dramatic monologues. Robert, her husband, is an American concert pianist who has a special talent for innovative combinations of literary works with music. The combination of these two

extraordinary talents literally achieves an interplay between music and the spoken word. The couple has had three successful tours of Europe including the Vienna Festival 1978, Austria, West Germany, and Rumania. The McDonalds prove that the worlds of drama and music can come together on the concert stage. Piano works and dramatic word portraits are alternated with works for narrator and piano, and dramatizations of famous music and literary figure's lives. Don't miss this artistically exciting and highly entertaining evening.
