

# Track Season Opens On Good Foot

by Willie Holeman

The Brevard College track team opened its indoor season January 16, in a tri-meet at Virginia Tech against the hosts and Appalachian State. Even though it was a non-scoring meet on the part of Virginia Tech and Brevard, the performances were still great.

Two freshmen, Andy Latimer and Willie Holeman, qualified for the Junior College Nationals in Champagne, Illinois, on March 5 and 6, in the triple jump and the long jump, respectively. Their qualifying lengths were 47'8" for

Latimer and 23'½" for Holeman. Other bright spots were Paul Brim, a freshman from Greensboro, NC, in the 1500 meters, Andy Latimer in the high jump, Dan Clay in the 5000 meters, and Gerald Hutchinson in the 5000 and 3000 meters.

There are three first semester freshmen on the Brevard track team. Al Winebarger runs the 1000 meters, Gordon Snaden runs the 3000 meters and Jeff Dorman runs the high hurdles. Dorman, who is uneligible to represent Brevard, ran unattached in the meet and his time of 7:6 would have normally qualified him for the National Championships.

The Tornado Track Team puts their best foot forward, as always, in their recent visit to V.A. Tech. (Photo by Bobby Baxter).

## Brevard Track Continues Success

John Delaney 8:52.

Andy Latimer qualified in the high jump with a new school record of 6'8". Andy also has qualified in the triple jump. Willie Holeman has qualified in the long jump, and also came through to jump his way to Nationals in the triple.

Freshman miler Paul Brim ran a great race in the 1500 meters only to miss qualifying by one second with a time of 4:00.6.

Hurdler Jeff Dorman, who is redshirting this season, ran the 55 meter high-hurdles, but failed to

make it to the finals. Jeff has already ran well under the qualifying standards and is expected to be a big factor next season.

In the 5000 meters two B.C. runners ran a tough hard race as they finished 2nd, and 3rd in their heat. The race was mostly a tactical one in that the pace was slow through the mile mark. Gerald Hutchinson passed teammate Gordon Sneaden and pushed the pace only to falter as Gordon caught back up to finish second, and Hutch finished strongly to take 3rd.

by Randy Ward

Blacksburgh, VA Ten members of the Brevard track team traveled to V.A. TECH to compete in the V.P.I. Track Classic. The team ran super under the watchful eye of Dean Wray who filled in as coach for the weekend.

The meet was filled with many top 4-year schools and universities. Once B.C. proved itself to be a tough competitor. Dan Clay ran 8:40, a personal record in the 3000 meters, to qualify for the NJCAA Nationals. He was followed closely by teammates Jeff Muth 8:45, Randy Ward 8:48, and

Rugby coaches show team the proper way to "scrum". (Photo by Barclay McCardy).

## Rugby Club Organized

by Steve Piotter

The game of rugby has rapidly become a popular collegiate sport among many schools. This European game started mainly in the Northeastern states, and is now in full swing throughout many colleges in the United States.

Brevard's rugby club got its start at the beginning of the fall semester by John "Panama" Irvin and Steve Piotter. Several practices were held throughout the fall semester in order to prepare for a competitive schedule in the spring. Unfortunately, the future outlook of the rugby club was a little shaky. However, since the spring semester has gotten into full swing, there has been more interest and enthusiasm and now this

bunch of sixteen blood thirsty bruisers has become quite serious and is getting in shape for the challenging and enjoyable season ahead.

Because of the success of the club and due to the superb coaching of John "Panama" Irvin and Kevin McGowan, the Brevard Renegades will now be playing such schools as the University of Eastern Tennessee, Clemson, the University of South Carolina, Knoxville, Appalachian State, and others. The club's first game is against the University of Tennessee on Saturday, February 13.

Rugby is a combination of football and soccer, so for all of you who like hard-hitting excitement and action, come out and support the Brevard Rugby Club.

DUSYNE, THE BALL ... LET GO OF IT!!
