

# Soccer Team Works Toward the Nationals

By Dee Reis

of Kristmann's goals.

The Brevard College soccer team is working hard toward the nationals, but it isn't easy, as the last three games proved.

In the October 10 game against the Berry College freshman, the Tornados won 2-1 on a goal by J.D. Dyé, assisted by Larry DeLong. DeLong also scored on an assist by Danny Kristmann.

Over fall break, the soccer team traveled to Florida and lost to Florida Southern College 5-2. Both DeLong and Kristmann scored. Kristmann's goal was assisted by Jon Carter.

The team then played Rollins College and won 3-0 on a goal by Dye assisted by John Folckemer and two goals by Kristmann. Eddie Tadlock assisted in the second

Brevard's record of 11-4 ranks them 14th in the nation according to the National Junior College Athletic Association Soccer poll (NJCAA).

It seems that the 1983 Tornados are following in the footsteps of last year's team which finished in the top eight. The team's captains, Jeff "Towhead" Trost and Danny Kristmann, feel that this year's team is 100% stronger individually and has a better knowledge of the game. They are predicting a finish in the top four this year. But what makes Trost and Kristmann so sure? "A lot of the guys have been there before," they said. "We'll be psyched for it this time."

# Cross Country Team Places Fourth at Malone Invitational

On September 24, the Brevard Cross Country team, comprised of five freshmen and two sophomores, surprised everyone by finishing 4th in a 34-team field at the Malone Invitational. The meet was won by Mid-American powerhouse Ohio University with 47 points followed by West Virginia University at 52. In 3rd position was host school Malone College with 101 points followed Brevard College with 113 points. Marshall University was 5th with 124 points. Brevard College also won the junior college division, in addition to placing 4th overall with 26 points.

Brevard's Alphonse Swai,

finishing 1st, set a blistering record-setting pace covering the 10,000 meter course in 28:47, breaking the old course record of 29:58 set last year by Keith Long

of Malone College. Gordon Snaden had one of his finest races for Brevard as he finished in 11th position with a fine time of 30:12. A fast improving Allen Ford followed in 26th position at 30:50, followed by Marty Humphrey 33rd in 31:06 and Patrick O'Grady in 42nd position in 31:18. Other Brevard finishers were Charlie Purser in 52nd at 31:32 and David Czajka in 124th at 33:14.

# Psychologist Speaks at BC

By Wanda Raines

The past Life and Culture event was a presentation by a clinical psychologist, Dr. Eugenia Lee Gullick.

Clinical psychologist Dr. Gullick, Director of Community Consultation and Organizational Development of Salem Psychiatric Associates of Winston-Salem, N.C. appeared in Dunham last Wednesday. Dr. Gullick presented, to a capacity

# 1984 Pertelote Requests Ideas

Will you be satisfied when you receive your yearbook this Spring? Make sure your ideas count in your yearbook.

The Pertelote staff is interesting in receiving ideas concerning feature articles and stories concerning humorous aspects of Brevard College life. Whether you are a member of the yearbook staff or not, is not important.

The stories and story ideas can be turned in on Tuesday and Thursday nights at 7:00 p.m. in the MG Room 116.

This year's Pertelote will include numerous features in its modern, magazine style. Please help us to make the 1984 Pertelote the best in its 50 year history.

crowd, a lecture entitled "Contemporary Relationship: New Roles/New Rules."

Dr. Gullick's lecture presented many of the changing roles of the sexes. She explained the things that every relationship needs. She says that there is a "need for intimacy and closeness" in a relationship.

Dr. Gullick encouraged that we not look for the perfect mate or the perfect marriage. She says that there will be problems in every relationship, but we should "seek, search, and work for a relationship."

Dr. Gullick explained that there have been four types of revolutions in the past years. These four types are educational, technological, economical and sexual revolutions. Even with these revolutions Dr. Gullick says that "we continue to live in a world of traditional values."

Dr. Gullick also stated that if in a relationship "you do not grow together, you will grow apart." She said that both members of the relationship must work to keep the relationship or the relationship will not grow.

1983 BC Cross Country Team. Standing-Coach Norm Witek, Chris Campbell, Charlie Purser, Terry Hodges, John Fillyaw, Ron Schmanske, Marty Humphrey, Gordie Snaden, Jerome Cain, Dave Czajka. Kneeling-Stuart Noell, James Thompson, John Furnell, Liam Hennessy, Glenn Roach, Patrick O'Grady, Alphonse Swai, Allen Ford, John Corish.

## Brevard Students Cycle To Raise Money For Cancer Society

By Kathy Parietti

Two Brevard College sophomores will be cycling from Brevard to Orange, Connecticut after graduation to raise money for the American Cancer Society. They hope to complete the ride of 1000 plus miles in less than ten days.

Bob Elliott of Orange, Connecticut, and Jim Parietti of Brevard decided they wanted to help raise money for the Cancer Society after losing friends and relatives to the disease. They contacted the national headquarters and received fundraising information.

Bob and Jim are already training everyday for the strenuous trip. They lift weights for overall strength, swim to help the cardiovascular system, and cycle. The two are training at Nautilus Center of Hendersonville and Brevard Racquet Club.

In the near future they will be soliciting for sponsors.

## Women's Volleyball Improving

The women's volleyball team is off to a slow start this season with a record of 0-5.

In both spikes and serves, the leading scorer is Marcy Clair. Marcy, also the captain of the team, is a sophomore who has been a constant source of encouragement and motivation during practice and games. She has also established fine leadership skills all season long.

Coach Deana Morrow commented that the team is showing improvement, and that some of the players were inexperienced.

Already, the team has suffered the temporary loss of one of its strongest hitters, Darlene "Spunk" Davis. When Spunk returns to the line-up, further improvement in every game is expected.

## Intramural Softball

Day students/new complex won the recent softball championship, defeating Taylor 13-12 in a tight, competitive game. Day students led 9-4 after 4 innings, but Taylor quickly closed the gap to 9-8 on a grand slam by Matt Wilson. The day students recovered from the challenging

Taylor rally, and held on staunchly to win the first competition of the year.

After an uncertain start, Taylor, ably led by Paul McGuire and Jeff Fender, proved to be worthy of a strong second place, behind the well-organized, and informal day students/new complex team, captained by Greg Hawes.

## Women's Athletics Receive Coverage At '84 Olympics

The 1984 Olympics promises to be a big event for women. There will be more women competing than ever before, and a variety of new events will be featured, including marathon, biking and shooting.

Nearly 1200 women athletes participated in the 1980 Moscow Olympics, as compared to a projected 2,500 female athletes in the 1984 Los Angeles Games.

The addition of the new events will provide a lot of publicity for women's sports. The Olympics television coverage has the potential to attract millions of new participants to the featured sports.
