Pam Lyons, Angie Vickers, and Sheila Gibson

Lady Tornados Receive Conference, District Honors

Angie Vickers, Pamela Lyons, and Sheila Gibson were named All-Conference for the Western Carolina Junior College Conference (WCJCC). In addition, Vickers and Lyons received All-District honors.

Vickers was named to the first All-Conference team; the All-Region X team; All-tournament team, for the conference and region; and All-Academic team. She averaged 14.0 points and 9.5 rebounds per game. "Angie is one of our most consistent players. She always seemed to get the basket when we needed it," said Coach Mary Ann Sunbury.

Pam Lyons was named to the first team All-Conference. She averaged 14.3 points and 7.7 rebounds per game. "Pam is one of our strongest, quickest players

who played more like she was six feet tall instead of five feet seven inches. She was a team leader," commented Sunbury.

Sheila Gibson was named to the second team All-Conference in addition to being named Most Valuable Player in the WCJCC tournament. During 1984-85, she averaged 12.3 points, 5.6 rebounds, and four assists per game. "She (Gibson) was one that helped us win the conference tournament. She is probably the quickest guard that we've ever had," remarked Sunbury.

Lyons and Vickers were two of five collegiate basketball players named to the Kodak All-District Women's Basketball Team for District III for NCAA Division Junior/Community Colleges.

The District includes colleges in the District of Columbia, Maryland, North Carolina, South

Carolina, and Virginia. The team is selected by the Women's Basketball Coaches Association (WCBA).

"The five athletes were chosen for this honor through a selection process that involved all women's basketball coaches at colleges and universities that are WBCA members and involved at the Division Junior/Community College level," said Lorene Ramsey, selection chairperson and head women's basketball coach at Illinois Central.

All-District selection is the first step in the process to pick the 1985 Kodak Women's All-America Team. While all 45 women named to the nine All-District teams in this division are eligible for nomination to their divisions' Women's All-America Team, the top vote getters are considered the leading candidates.

Sunbury Voted Coach Of The Year

Mary Ann Sunbury, women's head basketball coach at Brevard College, has been named District III Coach of the Year by the Women's Basketball Coaches Association. The recognition comes after Sunbury brought her team to victory in the Western Carolina Junior College Conference Championship and a season record of twenty wins and nine losses.

Sunbury is assistant professor of physical education and women's tennis coach in addition to her position as women's head basketball coach. She has accumulated an overall basketball coaching record of 127 wins and 56 losses.

Brevard College president, Dr. Jacob C. Martinson, Jr., said the award is well-deserved. "Mary Ann has done a fine job in the very short time she has been here at Brevard. She has not had much time to build a program, but has done an outstanding job. The team has performed very

Mary Ann Sunbury

well in that time. Much of that success has to do with her leadership," he said.

Sunbury received her M.Ed. in physical education at the University of Georgia and was a cum laude graduate of Erskine College, where she lettered four years in basketball, volleyball, and tennis. She coached state championship teams in basketball and volleyball while at Pendleton High School in South Carolina.

on for a long time, but I know that Kim will do a great job, so that makes it easier."

Ormand is a graduate of Scotland High School in Laurinburg, N.C. and is the daughter of Donna and Ben Ormand. She will begin her job as Clarion editor at the beginning of the fall 1985 semester.

enough," she said. She hopes to create more appealing activities that will generate campus enthusiasm. In addition, she said that the executive officers of the SGA must work as a team to be successful.

On Wednesday, April 10, Phi Theta Kappa members elected officers for the 1985-86 school year. Those elected were: president, Carla Ulbrich; vice-president, Kathy Scogin; treasurer, Asami Itoh; campus secretary, Dannielle Landry; and corresponding secretary, David Mays.

Carla Ulbrich and Caryn Clause, the 1984-85 president, will both attend the Honors Institute in Colorado Springs in May. At the conference they will get leadership training and meet PTK officers from all over the country.

degree in English literature from Huntingdon College and was awarded his Master of Divinity degree by the Duke University Divinity School. After completing post-graduate studies in psychology and religion at the University of St. Andrews in Scotland, he attended the Vanderbilt University Divinity School where he earned his doctorate in theology. He has also completed post-doctoral studies at the Harvard University Institute for Educational Management. An ordained Methodist Minister, Martinson served two churches in Florida before becoming a college instructor.

He taught at Florida Southern College and at Vanderbilt Divinity School before becoming president of Andrew College in Cuthbert, Georgia in 1972.

Martinson said, "The purpose of a college president is to work himself out of a job. The wonderful thing about going to High Point is that we will still be in North Carolina. Brevard captures your heart, and Brevard College will always be of great concern to us."

Decatur Cont. from page 3
When Decatur first came here, he was to teach for only a semester. However, as we all know, he stayed much longer—perhaps because he was appreciated. Ren Decatur is much appreciated by the faculty, and even more so by his students whom he has given so much to; not only in the way that he has taught, but in the way that he has cared.
