

Lady Tornados Improve With Each Game

by Ramona Carpio

With the new season just under way, the 1985-86 women's soccer team is showing their predicted successful season by gradual improvement of their games. Despite the letdown of losing to Erskine College 5-0 in the first game, they played with great stamina and improved the next week losing to Erskine College by only three points. In the game against Warren Wilson, however, the lady Tornados had their first taste of victory by defeating them by two points.

Coach Julie Johnson believes that their biggest problem is scoring. "We have the potential

to get to the goal, but we need to work harder in keeping the ball and scoring" she said.

The top players of the team are Allison Wright, Lynn Simril, and Annie Fisher. The top scorer of the team is Missy Meyers. Coach Johnson is very impressed by Sonya Sharp, the most improved player and Mika Tomada, the most valuable beginner. Mika has never played soccer before and has become a very tough stopper.

Coach Johnson would like to take this time to thank all the enthusiastic watchers that have come to the games and hopes that the support of the women's soccer team will continue.

The 1985-86 men's soccer squad debuted against Anderson College, losing 2-1. The game was fast-paced, intense and exciting for the fans. "Brevard played well with winning balls in the air although more passing was needed," according to Assistant Coach David Taylor.

Anderson's first goal came from a breakaway; a second goal occurred when their midfielder overlapped into the box, scoring off of a rebound. Yong Song, the central midfielder, scored the lone goal for Brevard.

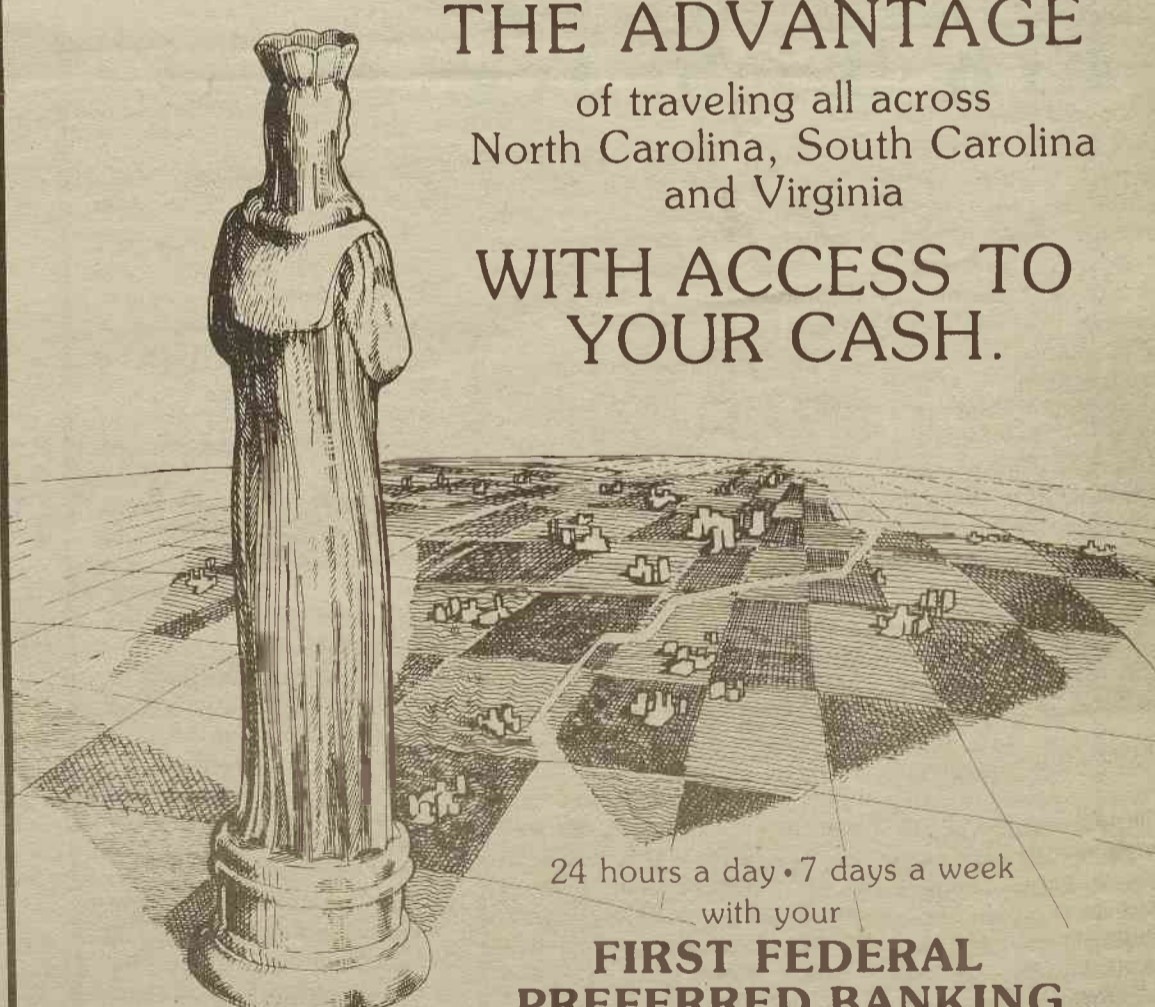

On Setember 16th, Brevard hosted North Greenville College, winning 8-0. Alfredo Moya had four goals and broke the school record of 29 career goals set by Danny Kristmann in 1983. The old record was broken by a penalty kick, the new record is now 30. Others who scored were Larry DeLong with one goal, and Yong Song with two. Andrae Sanders scored on a penalty kick. "Even though the team won by a large margin, they didn't play as well as they did against Anderson," stated Coach Taylor.
