Study Abroad in Costa Rica

BC's Foreign Language Department, in conjunction with UNC-C's Department of Foreign Languages and Center for International Studies, is organizing a group of students to participate in a summer study program in San Jose, Costa Rica. Costa Rica, also known as the "garden spot of the Americas," is one of the most peaceful countries in the western hemisphere, and is an ideal place for an enjoyable study abroad.

The summer study in Costa Rica is scheduled to begin Saturday, June 3, and to return on Saturday, July 1, 1989. The cost is approximately \$1200, which will include tuition, housing in a private home, two meals daily, several field trips, and insurance. Anticipated round-trip airfare from Charlotte to San Jose (via Miami) is under \$500. The summer study in Costa Rica is open to anyone interested in obtaining six semester credit hours, easily transferrable, according to UNC-C's study abroad office. Students at all levels of Spanish comprehension are welcome, and a proficiency test will be administered upon arrival in San Jose, to help officials determine the course levels needed.

Mr. Brevard tells brutes from beauts

by Barbara Shaffer Clarion Reporter

Attention Brevard women! Are you bored of Miss Universe, Miss America, or even Miss Brevard Pageants? How would you like to see the men of Brevard College display themselves on stage in order to win the title "Mr. Brevard 89"? Well, ladies, here is your chance to add a little excitement to your lives. A date is set for February 5 for the Mr. Brevard Pagent.

Not all of the details are worked out yet, but Kim Penland assures that this project is not a way to make fun of the Miss Brevard Pageant, and (as a matter of fact), some of the guys here at Brevard approached Kim with the idea. A committee will be formed within the next few days, and Kim hopes to get enough brave men to audition. Kim says, "This pageant can go both ways, but if we don't get over 15 guys, I don't think they can be serious about it."

So what will become of the Mr. Brevard Pageant if there aren't enough guys to make it work? Kim says that they will dress up in evening gowns and bathing suits. I don't know about the rest of you girls, but I'd rather see a guy dressed in a flashy tuxedo rather than an evening gown, so get your boyfriends or even that cute guy that sits on the other side of the room in English class to join in and make this pageant a success.

Among the girls interviewed, this is

what they have to say: Kristi Hochman-"Why not! If there's a Miss Brevard Pegeant, then why not have a Mr. Brevard Pageant?" Tracey Wunsch-"I think it's awesome!" Amy Williams-"I think we should have it. I'd like to see some sexy guys!" Leslie Goodwin-"I think it would be cute." And my favorite statement of all was given by Susan Engel, "It will give us a chance to separate the men from the boys." That's what the girls have to say on what they think about this pageant, but what do the guys have to say? Most of the guys I have talked to are not really interested in it, but the few who are I have a list of guys that a group of girls in Jones Dorm have recommended. They are as follows: Rusty Rogers, John Hackworth, Tim Jackson, Kurt Lehnart, Scott Rawlings, David Hensley, Brad Dodson, Mike Cole, Matt French, Dennis Moody, Aaron Kerr, Chris Sammond, Ron Connor, Duane Moore, Jose Patino, and Wayne Graham.

So all you guys out there, please try and make this pageant work. We all know you like the Miss Brevard Pageant, so return the favor and let us women enjoy a Mr. Brevard Pageant. Anyone interested in auditioning can speak to Kim Penland. Her office is located in the Student Union, upstairs in the pool room. Go for it and good light!
