

The Rockettes they ain't — but the Mr. Brevard contestants still manage a pretty good chorus line, left to right, Edward Jones, Dino Locklear, Rick Redmond, Patrick Boggan, Robin Wicker, Aaron Kerr and John Daniels.

Terrie Jennewine, you've met your match!

Dino Locklear, also known as "Patti Melt," was crowned winner of the first annual Mr. Brevard College Pageant held Sunday evening, February 5 in Dunham Auditorium.

After modeling a gorgeous black and white strapless dress and a sexy swimsuit, Dino's smile captured the hearts of the judges. For the talent competition, Locklear performed a fast-paced, comical aerobic dance that kept the audience laughing nonstop.

Runners-up were as follows: 3rd-Patrick Boggan ("Anita Man"), 2nd-Aaron Kerr ("Elizabeth All-Night-Long"), and 1st Doug Webb ("Mary B. Hairy"), who was also the recipient of the "Mr. Smiley" award.

Among the other contestants were: John Daniels ("April Mae"), Russ Bayne ("Candi Dish"), Edward Jones ("Ima Tease"), Rick Redmond ("Matilda All-Wishes Bodine"), and Robin Wicker ("Amazon Amanda").

Kim Penland, who advised and supervised the pageant, said, "I hope that the pageant was viewed as a comic relief

rather than a mocking of the Miss BC Pageant.

"Our sole purpose was to have fun. I think it was very successful and I hope we can make it a tradition in the years to come," said Penland.

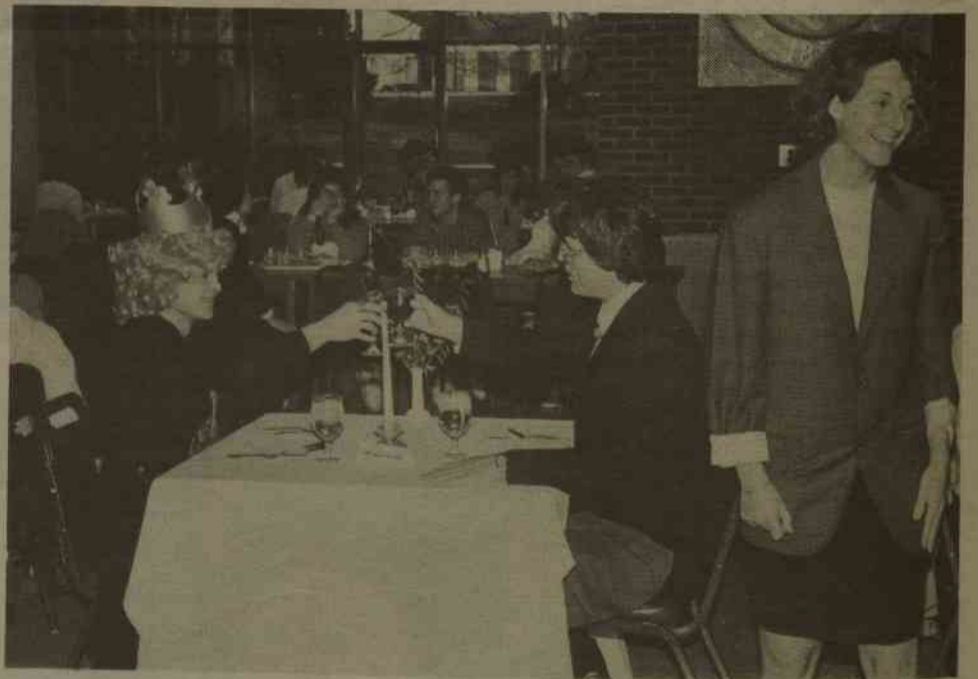

Mr. BC, being the latest addition to the school's social board, was the brainstorm of several students, namely Robin Wicker.

Judges included seven of the contestants who competed in the Miss BC Pageant January 28. They were: Michelle Atkinson, Terrie Jennewine (who crowned the winner with a classical Burger King crown and gave her/him a bouquet of hand-picked weeds), Pamela Carter, Lora Woodrum, Catherine McKee, Charlotte Safrit, Rachel Klein, and Andrea Henry.

"It was nice to sit back, relax, and have a good time watching everyone experience the excitement I had last week as a contestant of Miss BC. Mr. BC relieved me of a lot of the stress I felt as a contestant," said Pam Carter. Mistresses of ceremonies were Mylene Thomas & Lorrie Diaz.

The Mr. BC Pageant was put together in only two days under the direction of Jennifer Wells. "I just hope everyone got a kick out of seeing our BC men modeling women's evening gowns and swimsuits," said Jennifer.

Well, there she is: Mr. Brevard... alias Dino Locklear as "Patti Melt."

The crowning moment: candlelight dinner with Dean Langley. Jennifer Wells can't keep a straight face as the "couple" toasts each other.
