BC's long-awaited Lady Tornadoes' soccer team has made its fall 1990 debut in style -- winning the BC Fall Classic this weekend with victories over Anderson (1-0), Maramec (2-1) and Arundel (2-0).

Under third year soccer coach Joe Bartlinski, the Lady T's boast 11 returning sophomore starters and a strong freshman crop. BC women's Soccer was ranked as high as fourth in the nation last year. This year they hope to better that. The secret of their success last year was team unity and a lot of pride claims Coach Bart. "We are a family on and off the field," says Bart.

That same "family" went undefeated for their first eleven games and outscored their opponents by more than they would care to admit. The upcoming fall season for the Lady T's looks promising yet far from easy. BC will have to face stiff competition from Region X spoilers Anderson, Spartanburg Methodist and Lees McRae.
