A fabulous guitarist, Ngo is also a topnotch leader of a seven-piece ensemble, the Ngoma Players,

who fuse funk, jazz and a cornucopia of World Beat styles into distinctive African pop. This is the real thing."

The public is also invited to groove with "Seconds Flat," the acclaimed alternative Southern country and folk band, on Saturday night from 9 p.m. until 11 p.m. Tickets for the event, which will be held in Dunham Auditorium, are \$5 for the public and are available at the reception desk in Beam Administration.

## Mills And Hart Make Big Move

Katherine Lester  
Staff Writer

On September 1, 1995, Ernie Mills and Adelaide Hart moved from their offices in the bottom of the library to "The Cottage" which is located across from the Alumni House. One of the reasons for this move was because the college needs more office space on campus. It is believed that new faculty offices will be located in these rooms.

Ernie Mills has been at Brevard College for four years. He is the Chaplain of the College and teaches

three courses of the Old Testament.

Adelaide Hart is the Director of the Connection Center, also known as the transfer counselor, here at Brevard College. She can provide the students with a number of major services. Some of these services include career services, graduate school information, and transfer information. Ms. Hart is encouraging the students to come in and talk about their future plans. It is important for the sophomores to see her so they can start sending out applications.
