A Shock in the Corn

LILLY SCARPINITO

Imagine a perfect October evening on an isolated cornfield. It is miles away from any form of civilization. The howling wind creates an overwhelming sense of eeriness in the pitch-black labyrinth of swaying corn rows an surprise corners. Wait... what is that over there lurking in the shadows? This year, prepare yourself for a real "Shock in the Corn"!

Twister Productions is teaming up with The Brevard Corn Maze, owned and operated by Taylor and David Mackey. They are creating a haunted corn maze for all ages and have planned an exciting evening of spooky entertainment. The event will last for five nights, from 7p.m. to 10p.m., October 26 through October 31, with the exception of Sunday, October 29.

There will be many skits and scenes performed with characters in full costume. The intention of these presentations is to give the participants a good scare. There will be a

graveyard, a headless horseman, scarecrows, a creepy

tunnel, and many more shocking thrillers that are sure to turn your hair white!

David Rector, a participant in the corn maze, explained her grim character, "I'll be playing a crazy wife who has a husband that has

murdered her baby, and he's trying to murder her too. I'll basically be going insane and trying to console my dead child, and stay away from my crazy husband!" Now that's

pretty creepy!

There are also various events that will

take place. These events include pumpkin picking, a best original costume contest, a drop off for nonperishables food items for the needy in the cold winter months, and a contest for the best carved or painted pumpkin. There will also be special

guided tours of the corn maze so that no one misses out on any of the fun!

Karen Jones is playing a large part in the organization of this Halloween production.

"Right now I am just helping organize it, but I may end up playing a character, too. You'd be really surprised, all the fun you have scaring people!"

In addition to all of the fun Halloween festivities, there will be food available, souvenirs, postcards, glow sticks, and tee shirts. Tickets are on sale for \$2 if you are a Brevard College student. If you do not attend the school, tickets are \$4 for ages 13 and up, and \$2 for ages 12 and under. There will also be a parking fee of \$1.

Be sure to mark your calendars... this will be one Halloween you will never forget!
