Circle K International: BC Chapter

-by LINDSAY SHIELDS, staff-

Circle K originally began as an alternative to fraternities for young men attending college. Kiwanis, the sponsoring organization, was looking for a way to support young people during college. In 1947, the first Circle K club was chartered at Carthage College in Illinois. In 1971, females were welcomed into Circle K. Now Circle K has grown into the largest organization for community service and leadership development at colleges and universities worldwide.

Students involved in Circle K have the opportunity to participate in a number of scholarship and leadership programs. Each club organizes service projects as well as socials. Circle K is still sponsored by Kiwanis and is a part of the K-family, which includes Young Professionals, Key Club, Action clubs, K-

kids, and Builder's clubs.

Each Circle K club is part of a division, headed by a Lieutenant Governor. The division is part of a District, headed by a Governor and International Trustee. The District is part of International, headed by the President. Districts hold a convention every year where students from Circle K clubs can socialize, learn more about the organization, compete for awards, and lobby for District office positions. At International Conventions, students from all over the world get together to celebrate the accomplishments they have made throughout the year.

The Circle K member pledge is, as follows: "I pledge to uphold the objects of Circle K International, to foster compassion and goodwill toward others through service and leadership, to develop my abilities and the

abilities of all people, and to dedicate myself to the realization of mankind's potential."

The Brevard College chapter of Circle K meets Sundays at 8pm in Coltrane Underground. For more information, visit www.circlek.org or www.carolinask.org or contact Lindsay Shields at 966-5404.

Campus Crusade for Christ S.A.F.E. Student Association

-by AMELIA BROWN, guest writer-

Purpose: Campus Crusade for Christ exists to provide regular opportunities to study and discuss the Bible worship and pray, all in a group setting, which also provides opportunities for fellowship, encouragement and spiritual development among Christians.

Members: Campus Crusade for Christ has an open-door policy. There are no "members" in the sense of meeting requirements or being accepted into membership. Campus Crusade for Christ was formed by Christians who agreed in their belief that man's only access to God is through Jesus Christ and faith in His death as full payment for man's sins, and His resurrection. While this is the foundation for the Bible study, those holding other beliefs are welcome to attend.

Officers: Campus Crusade for Christ does not have officers. However, a small group of participants with a strong commitment

to the maintenance of the organization agree to be named as a steering committee and as student leaders. These are Amelia Brown, Shelley Moore, Wes Parker, Rachel Watkins, and Eric Stribling.

Meetings: Campus Crusade for Christ meets every Monday night at 7:00 p. m. in the New Village Pavilion. These meetings begin with a time of praise and worship, followed by a Bible study (facilitated by a student leader) and time in small groups for discussion and prayer. Food and fellowship follow.
