**Big River: The Adventures of Huckleberry Finn**

By Katie Lobdell

By Robert Miller

The entire cast of "Big River" onstage for the first big musical number of the show.

Last weekend at Scott Concert Hall in the Porter Center for the Performing Arts, the Fine Arts Division presented the musical production of *Big River* which is the adventure story of Huckleberry Finn set to music. This timeless tale is the first production of its kind to come to the Porter Center. The performance made use of the combined talents of the school's music department and theater department

**Furry Friends**

By Nathan Jerkins

All of us living here in Brevard are familiar with the small animal that is unique to the area.

The white squirrel can be seen running across campus and scampering around the town. This rare breed draws many curious travelers to see exactly what the big deal is.

A white squirrel in Joel Graham's backyard

**Stress Relievers during Crunch Time**

By Audrey Williams

During the final weeks of the school year, the stress levels rise among students and faculty, especially among those students who are seniors. As the time gap closes in; the students are asked to pull out their books.

*"So, it is the first week in May, what are you going to do about it?"*
