

# Men's tennis stretch streak to four straight

The Brevard College men continued their mid season success on April 1 and 2 by posting wins over King College 6-3 and UVA-Wise 6-3.

The Tornadoes have won 5 of 6 are now 6-8 and 3-0 in the AAC. Brevard is sitting atop the conference in a first place tie with Union and Virginia Intermont. Head coach Paul Thomson said, "We had a great week of tennis. We got stronger as the week went on and everybody contrib-

uted to our success."

On April 1 the men swept the 3 doubles points from King and took 3 of 6 singles matches. Sunday afternoon the men took 2 of 3 double from Wise and won 4 of six singles matches. "I really felt like we had our opportunities to sweep the single today. UVA-Wise worked hard at the 1 and 2 spots and were able to pull out a couple of heart breakers over Andres and Aaron."
