Braves take best 2-3 against Mets over weekend

by Amethyst Green
Sports Editor

If there was any question about the Atlanta Braves' ability it was answered this weekend when the Braves took a 2-3 game series win over the New York Mets.

In the first game the Braves swept the board 7-3. In the second game the Mets swept the

Braves 7-2. In the final game, the Atlanta Braves got the win 9-6. The last game was the toughest for both teams, because it was basically a rally between the two.

The games were played on April 20th, 21st, and 22nd. Although it is very early in the season these were important games for the leader in their division.

Volleyball Tournament puts Brevard on top

The volleyball tournament put Brevard College on top this weekend. Brevard College hosted a five team tournament. Brevard was 7-1 in pool play, and went on to defeat Spartanburg Methodist in 2 games. They also defeated an alumni/open team in the finals in 2 games, winning a total of 5 matches for the day and splitting one match.

The defense of Brevard was lead by junior Brittany Holliday. Jami Perry ran a quick offense, and both the defense and offense played exceptionally well. For the day Brevard served above 90%, and they served tougher. Hitting errors for the team were cut to right around 25%.

Some of the goals for the spring for Brevard's Volleyball team were met. They had a winning spring season, and placed their percentages where they wanted them. Brooke Seaman hit 38% and Kalli Gibson hit at 25%, and Jami Perry (setter) scored on 40% of her dumps/attacks.

The team would like to thank all who went and supported this tour-

namment, and they are looking forward to a winning season in the fall. Congratulations to the Brevard College Volleyball team who took the win in this tournament and good luck in the fall.
