

Now What?

BC's graduating seniors tell *The Clarion* about their plans and uncertainties for post-graduate life

Jennie Howell- I am going to work in a hospital pharmacy back in Cape Canaveral Florida while I look for pharmacy schools to apply for, for Fall 2008.

Nancy Pugh- I am working for Camp Greenville in the spring, then Outward Bound for the summer. Hopefully I'll go to grad school in Utah or Idaho next fall.

Carl Krimminger- I'm going to graduate school and probably working at the beach during the summer. I'll also be coaching high school baseball for a little while and enjoying being a graduate.

Samuel King- I will be taking my Emergency Medical Technician (Basic) course next semester.

Joel Gerolotimos- I am just waiting to see which opportunity opens up first. In the meantime I will just work my part time job full time.

Carrie Kauffman- I plan on **playing** around in Brevard until I have to go to work in March!

Matt Larach- I really don't know what exactly what I'm going to do but I think I am going to work for Meryll Lynch in Florida or New York when I get out.

Laura Rain Tree- Next semester I will be taking my PRAXIS II Licensure exam and working in Physical Therapy until I find a full time teaching position in Transylvania County.

William Hammond- I am already working in the Brevard College admissions office as an Admissions Counselor.

Kelley Hurst- I am traveling to Costa Rica for six weeks and then I will be working at Mountain Trail Outdoor School (near Hendersonville) as an environmental educator during the spring.

Misti Hutcherson- I am getting married January 15th and going on a cruise to the Bahamas. I have an employment prospect before I leave, so hopefully I will have a job with Alpha Environmental in Asheville, NC upon my return.

Ryan Houghton- I'm staying in the area.

Jordan Horne- Next semester, I am spending 5 weeks skiing out west in Colorado, Wyoming and Montana. After that... I guess I will need to find a job

Brevard College Candidates for Graduation Fall 2007

Editor's note: Pending the successful completion of their academic requirements, the following students are listed as candidates for graduation by the Registrar's Office as of Dec. 10, 2007.
