Chico Bags

BC Recycles is now selling woven nylon bags called Chico bags for **only \$5 each**. Chico bags are an eco-friendly alternative to using disposable bags from the grocery store. All profits will support recycling efforts on campus.

These sturdy woven nylon bags come many colors and can be washed in a washing machine. We will have them for sale in the cafeteria during lunch in the upcoming days. You can also request one via email at thompsonp@brevard.edu

They make great Christmas presents!
