The BC women's soccer team started their season in dramatic fashion with a 9-2 victory over Columbia College last Friday. With the pain of only two

substitutes ilast year now a distant memory thanks to the addition of 13 freshmen, the Lady Tornado hope that their strength in numbers will be a vital part throughout the season. Senior Courtney Sofferin led

the attack by finding the back of the net within the first 20 minuets, quickly followed by senior Ashley Fincher. The flood gates opened with five of the nine goals being scored by freshmen outside mid Alyssa Caracena, and

freshmen forwards Baily Varly, Emily Belchyk, and Latosha Hopewell. Other scorers include Carrilea Potter and Cherie Haseltine. Come out and support your Lady Soccer team this Saturday, Sept. 6, and cheer them to a victory over Coker College at home.

BC men's soccer traveled to Hartsfield, S.C. last weekend in search of a win against Coker College. Despite the drive the men were ready to play. With a long

fought battle the game was scoreless after the first half. Entering the second half Coker was issued a red card and was forced to go a man down giving Brevard the advantage, yet Coker still found the back of the net.

Brevard then was also subjected to a red card evening the playing field, and Brevard struck back with a single goal that came from the quick footed Ian Townson to tie the game at one a piece. A lighting storm delayed the game for nearly

and hour and a half before the battle could resume in over time eventually ending in a tie at the end of double over time. Come support your men's soccer team as they take on conference play against Newberry College at home on September 10.
