Soccer falls to Wingate

by M.A. Dozier
Staff Writer

Coming off a win against North Georgia College, BC's men's soccer team came up short in Conference play against Wingate University, losing 6-0.

Wingate came out attacking the Tornados defense, putting two shots in the goal within the first ten minuets of the game. The Bulldog's scored again twenty minuets later increasing their lead to 3 goals, and had no sign of letting up.

When the whistle blew for half time the Tornados were worn out and down by 5. Into the second half BC picked up their defense and held the Bulldogs to only one more goal. But the damage had been done.

Wingate pounded the goal taking a total of 28 shots, leaving BC on defense most of the game. The game ended with a score of Wingate 6, Brevard 0.

The Men's soccer team also played Wednesday at Winthrop University, losing 1-0. Come support them at home Saturday October 18th against Emmanuel College at 4 pm.
