

Horoscopes

Aries: Rush Limbaugh wants you to fail.
 Lucky Color: Black, like your heart.
Taurus: Sign up for the GRE, because let's face it, nobody is getting a job when they get out of here.
 Lucky Color: Your checkbook balance red
Gemini: Your insistence on continuing a nicotine-fueled daily routine will land you in an Asheville homeless shelter.
 Lucky Color: American Spirit powder blue
Cancer: The tax money you pay this week will go to the state of Kentucky, which will ask for a federal bailout after paying \$31.5 million dollars to hire John Calipari as basketball coach at the state's flagship institution.
 Lucky Color: Blue grass
Leo: You don't have any problems that three bottles of Nyquil, a Phog Hat album, two hard hats and an off-duty stripper can't fix.
 Lucky Color: Billy Crudup's member in Watchmen blue
Virgo: You will receive a thorough beating from Mr. T after a disagreement over whether or not he should, in fact, pity you. It will be the coolest beating ever.
 Lucky Color: Powder, the person not the substance.

Libra: You will get dumped after expressing a little too much enthusiasm about the upcoming Star Trek movie. For future reference, saying "I Love You" in Klingon is more creepy than it is sweet.
 Lucky Color: Ferengi
Scorpio: You will unknowingly give your spare change to former GM CEO Rick Wagoner, who will be playing banjo for tips on a street corner.
 Lucky Color: Desert camo
Sagittarius: The use of a black market dietary supplement will cause you to develop an unsightly rash of bacne.
 Lucky Color: Mormon
Capricorn: An experiment creating your own blog will cause you to be dubbed "the voice of our generation."
 Lucky color: Zax sauce
Aquarius: Adopting Asher Roth's "I Love College" as your personal theme song will cause you to love college so much that you become no longer enrolled.
 Lucky color: Black out
Pisces: Involvement in an underworld cock-fighting ring will lead to an existential crisis in a Morganton jail cell.
 Lucky Color: Tyler Hansbrough's eye whites
