

# Sculpture

*Laura Barr,*

SCULPTURE

"I am fascinated by line, the way it can create shapes and interact with itself. Line can portray structure as well as organic form beautifully, and both are things I try to convey in my work."

# Graphic Design

*Donna Hooper,*

GRAPHIC DESIGN

"I will integrate the background with type suggesting that the type was originally part of the painting. The type will say 'The ability to simplify means to eliminate the unnecessary so that the necessary may speak'"(Hans Hofmann).

# Photography

*Jennifer Gift,*

PHOTOGRAPHY /  
GRAPHIC DESIGN

"While studying Art at the collegiate level, I have begun to understand what in my surroundings I am particularly drawn to and inspired by."

*Marc Newton,*

PHOTOGRAPHY

"What I love most about photography is any image can be created. With the right motivation, creativity, and technical skill, anything you could possibly think of can be on paper."
